Joe – Please see below and attached. You and I discussed you not being able to AATF these federal fillable forms and I noted in the Legistar file. Could you please email Franchesca (and copy John and myself) that it's ok to proceed without the AATF and ok for Board Chair to sign? Thanks.

Good morning,

Our office is in the process of preparing documents for the upcoming February 17, 2026, BCC meeting, and I am reaching out regarding the above-referenced item. It was noted that the documents requiring signatures (SF-424 and SF-LLL, which are attached for reference) are not AATF. The note states that the County Attorney stated it was ok for the Board Chair to sign, but is there some form of email or other written documentation of this that could be uploaded to the record? If so, could you please provide it to our office? Thank you.

Serving You,

**Franchesca DiNapoli**
