Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

Office of Management and Budget, Risk Division is seeking approval of the ranking of firms and agreement with Commercial Risk Management, Inc., for Workers' Compensation Third-Party administration (TPA) services. This contract provides Workers' Compensation TPA services for participants of the County Risk Management Program and the Pinellas County Sheriff's Department. Per County Code 2-142, all Constitutional Officers of the County, except the Clerk of the Circuit Court, participate in the workers' compensation program and make payments to the Risk Finance Fund. Five responsive proposals were received, with Commercial Risk Management, Inc., selected as the highest-ranked firm and recommended for award by Risk Management and the Sheriff's Office. The agreement has a term of thirty-six months with provisions for two additional twelve-month-term extensions. The initial thirty-six-month term is for a total not to exceed amount of \$1,348,788.00.

Funding for this service is included in the FY26 Budget; however, costs associated with the transition to the new Commercial Risk Management agreement were not anticipated in the current budget and will be absorbed by the department. Appropriations for subsequent years will be contingent on future budgets.
