NOTES:
 The CJMHSR Reinvestment Grant will fund the expansion of the Public Defender's Jail Diversion Program that will offer a structured shelter/treatment program to 100 unduplicated individuals annually for three years. The program focuses on adults who have a substance use disorder, as well as, a co-occurring mental health condition, and have been charged with a crime. The primary goal is to divert high-risk individuals (high systems users) from arrest, prosecution, or incarceration to treatment and support services.
