Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

A change order to increase the Annual Water and Reclaimed Water Repairs and Extensions contract with QRC, Inc. by \$5,000,000.00.

Funding for this contract is not fully represented in the FY25-30 Capital Improvement Plan or the FY25 Operating Budget because the contract establishes a not to exceed value, with obligation occurring upon issuance of work order assignments (purchase orders). Funding is determined by the individual work order assignment sourced to the agreement, and actual expenditures are contingent upon work completed. The Department may appropriate the full not-to-exceed amount or less.
