Dear Mr. Blanton,

On March 26, 2024, the Board of County Commissioners held a public hearing to consider the above referenced amendment to the Future Land Use Map of Pinellas County. The Board took action to approve the amendment and authorized transmittal to the Pinellas Planning Council for action to amend the Countywide Future Land Use Plan as necessary to maintain consistency with said Plan. We anticipate the amendment to be Tier 2. Attached for Council's review are the requested application forms and supporting case materials.

Please schedule the attached amendment at the earliest convenient time for review by the Council and notify us as to the hearing date. If you need additional information regarding our request, please feel free to call me at 727-464-5638.

Sincerely,

Scott Swearngen, AICP
Long Range Planning Manager
