RE: State Funded Grant Agreement - TRIP  
I-175/I-375/Bayshore Drive Downtown St. Petersburg  
FPN: 436678 1 54 01 Contract Number: G2100

Dear Mr. Burton:

The Florida Department of Transportation (FDOT) and Pinellas County entered into a State Funded Grant Agreement (SFGA) on March 28, 2023, under the Transportation Regional Incentive Program (TRIP) for the construction of the Advanced Traffic Management System (ATMS)/Intelligent Transportation System (ITS) on I-175/I-375/Bayshore Drive Downtown St. Petersburg project.

Both parties have mutually agreed to terminate the Agreement in accordance with Section 5 of the SFGA. It has been agreed upon that the County will reapply for the funding once they have the local funding match available. The current agreement will be terminated effective September 22, 2023(date of signature). Please sign and return a pdf copy to Marcia Haines, Local Programs Coordinator, [marcia.haines@dot.state.fl.us](mailto:marcia.haines@dot.state.fl.us)

We look forward to working with the County on other projects. If you have any further questions, please contact Marcia Haines by email or call 813-975-6134.

Sincerely,

DocuSigned by:
