

## I. AMENDMENT INFORMATION

From: Residential Medium (RM)

To: Multimodal Corridor (MMC)

Area: 0.3 acres m.o.l.

Location: 424 & 436 22nd Avenue North, St. Petersburg, FL (City of St. Petersburg Jurisdiction)

## II. RECOMMENDATION

Council recommend to the Countywide Planning Authority that the proposed map amendment to MMC be approved.

## III. BACKGROUND

This proposed amendment is submitted by the City of St. Petersburg and seeks to reclassify an area totaling 0.3 acres from Residential Medium to Multimodal Corridor. This amendment qualifies as a subthreshold amendment, because it is less than ten acres in size and meets the balancing criteria.

The subject parcels contain a single family home and an accountant's office. The owner of the property proposes to use both structures for accountant offices. The current use as an accountant's office is non-conforming and this amendment will allow the use to become conforming.

## IV. FINDINGS

**Staff submits the following findings in support of the recommendation for approval:**

The proposed amendment qualifies as a Tier II subthreshold amendment (Type A); and  
The proposed amendment to MMC recognizes both the current and proposed use for the site and is consistent with the criteria for utilization of this category.

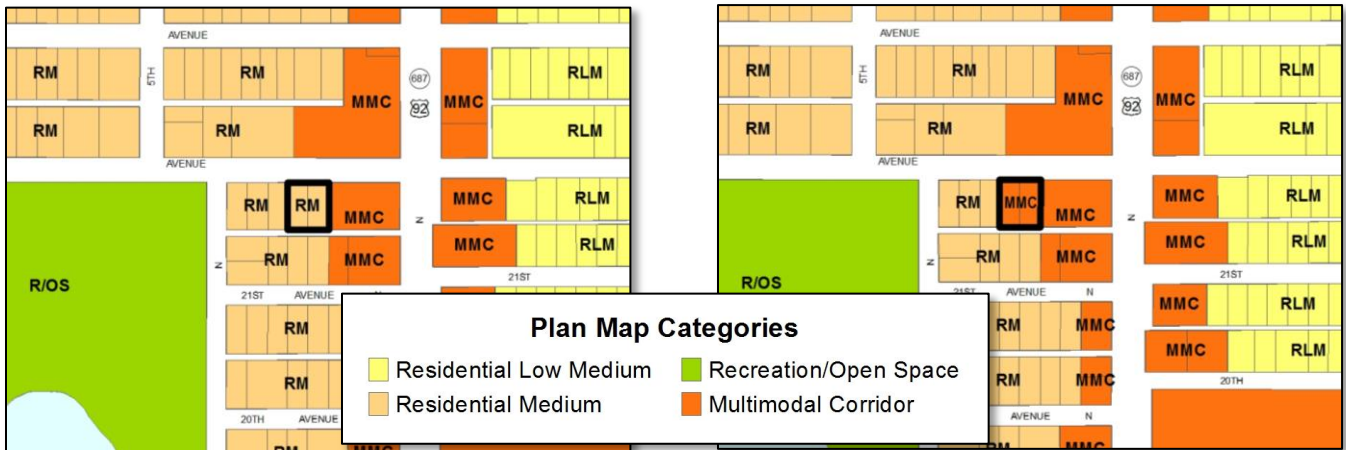

**Please see accompanying attachments and documents in explanation and support of the findings.**
