Topic Increasing library usage via Overdrive

BCC Agenda Date 6-23-2020

Your Stand on the Issue

I use the digital library quite a bit. Currently the maximum you can check a book out for is 2 weeks. I know in other areas - such as Reno, NV - patrons can check digital titles out for 3 weeks. Some places might be even more. Increasing the length of time we can check out digital titles to at least 3 weeks would help maximize library usage.

out digital titles to at least 3 weeks would help maximize library usage - especially during this time. Reading should be a pleasure and not a challenge to complete a

book in too short a time period. Thank you.
