**Subject:** RE: Grants - New Intent to Apply Form Submitted - Comprehensive Opioid, Stimulant,...

OMB has no objection to the department submitting a grant application to the US Department of Justice, Office of Justice Programs, Bureau of Justice Assistance to obtain funding to expand the Co-Occurring Assistance Recovery and Empowerment (CARE) Team. The CARE Team provides immediate intervention at on-site overdoses whenever first responders are involved.

Requested funding is \$1,200,000 from the FY20 Comprehensive Opioid, Stimulant and Substance Abuse Site-based Program (COSSAP). A match is not required. The duration of the grant is 3 years. Total project cost is estimated to be \$1,200,000.

The Department Director can sign off on the application. Please include this email when you send a copy of the submitted application through Granicus to be placed on the County Administrator's Delegated log.

If you have any questions, please do not hesitate to contact me.

Thank you.  
Katherine

**Granting Agency Address:**

**OPUS Project Title:**

**Duration:** Multi Year

**Proposed Abstract (Project Scope of Work):** The Comprehensive Opioid, Stimulant, and Substance Abuse Program's (COSSAP) purpose is to provide financial and technical assistance to states, units of local government, and Indian tribal governments to develop, implement, or expand comprehensive efforts to identify, respond to, treat, and support those impacted by illicit opioids, stimulants, and other drugs of abuse. COSSAP aims to reduce the impact of opioids, stimulants, and other substances on individuals and communities, including a reduction in the number of overdose fatalities, as well as mitigate the impacts on crime victims by supporting comprehensive, collaborative initiatives.

Under Subcategory 1a, Pinellas County will work with local partners to expand the CARE (Co-Occurring Assistance Recovery and Empowerment) Team to provide immediate interventions at on-scene overdoses whenever first responders are involved. The response team, made up of a peer recovery specialist and case manager, will provide on-site intervention via EMS referral, access to evidence-based substance use treatment and naloxone distribution/training for first responders.

**Benefit Summary (How will this benefit the County, Dept, etc?):** The proposed program would assist in reducing the recurrence of opioid overdoses with individuals revived by law enforcement or EMS personnel with an anopioid reversal drug by utilizing follow up treatment and peer support services post-overdose. The program would also support first responders with continued access to naloxone and training on the proper use of naloxone.

**Director Approval (Attach):**

**Is the proposal submitted for a different Department?:** No

**If submitting for a different department, what is that department name?:**

**Concept Paper Deadline (if applicable):**

**Grant Application Due Date:** 5/21/2020
