Recommended Action:

Approval and execution by the Purchasing Director of the Third Amendment for Building & Development Review On-Call Services Joe Payne, dba JPI.

- The Board of County Commissioners awarded this contract on July 18, 2023, for Building & Development Review On-Call Services.
- This Third Amendment provides for one additional service, a Senior Engineer (registered in Florida) for Professional Engineering Services for DRS, including stormwater, floodplain, subdivision, and site plan services at \$150.00 per hour.

There is no fiscal impact associated with this Amendment as this temporary/on-call position fills recently vacated Engineer III position.
