Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

Approval of the notice of grant award from the U.S. Department of Health and Human Services, Health Resources and Services Administration, Expanding Capacity for Coronavirus Testing (ECT) funding for the Health Care for the Homeless (HCH) program.

This award provides one-time funding to support activities to purchase, administer, and expand capacity for testing for COVID19. The County is working with the Florida Department of Health to determine the best use of funds to prepare for and respond to the coronavirus disease amongst the homeless population in Pinellas County.

These funds were not anticipated during the development of the FY20 budget. This grant does not require any matching funds. This award will be included in the FY20 estimates and FY21 budget request as part of FY21 budget development. A budget amendment for FY20 will be brought forward separately, if needed
