Subject: St Pete Intown Redevelopment Program TIF funds to be reallocated to Pier project and transportation and parking improvements

James:

At the 9/14 BCC meeting, the City of St Pete will be making a request to have \$14 million in TIF funds for the 'Mixed Use Transportation Facility' in the Intown Redevelopment Program reallocated to the Pier project and transportation and parking improvements in downtown St. Pete. The gentleman listed below called our office today to voice his opposition in reallocating these funds.

Tim Fitzgerald
Palm Harbor, FL

I wanted to make sure his phone call was included in the record for this item on the 9/14th agenda. Please let me know if you have questions or require additional information. Thanks.
