The Original 13 Watershed Colonies!

As an Original mapping effort, prior to the onset of the 50 states, all the Watershed Basins in the entire North American Continent were surveyed. The rivers, lakes and streams, the geography was mapped and the topography was all delineated, as an Original mapping effort.

The Original 13 Watershed Regions were Mapped and thus Colonized. These 13 Watershed Regions were quickly covered-up and Conveniently Concealed under the arbitrary nature of the 50 states, as a way to hide the underlying truth of these Watershed Tyrants.

These 13 Watershed Regions have been further Delineated into Watershed Districts (around the time of Watergate) and are soon-to-be franchised, taking hold as Watershed Jurisdictions, under the 14th Amendment.

Watershed Regions, Water Districts and Despotic Water Jurisdictions; Its like a Pyramid Scheme as seen on the back of the dollar bill, behind the *Mona Lisa Smile* on George Washington's ~ *smirk*.

The United States,, The United States OF AMERICA ,, and Americanna,.

Such Political "Posterity" is demarcated in Article VI as THIS Constitution under THIS Constitution, as under the Confederacy, they are all being used as Holds, Decoys, Mediums, seen as a Useful Arts for Limited Times, Constituted as a Ship of War in Time of Peace, here to Capture (both) Land and Water, assailed as a Letter of Marque, as a Bill of Attainder, Held in the Secrecy in Article 1 section 5 in and of and under our current Constitution, in Pursuance of birthing its "Evil" Ship of War, thereof. Deaf to the voice of Justice and Consanguinity (Blood sacrifice of Jesus), as written in the Declaration of Independence.

George Washington in his Farewell (to Christianity) Address states that we are being given a multigenerationally propagated, Useful lesson on our heads, here to Indirectly undermining (Christianity) using a spirit of revenge, discriminating Geographically, claiming to be of Greatest Rankness and Truly ones worst Enemy, Destroying afterward the very engine which lifted it to its unjust domain, natural to dissention, Patronizing political infidelity in its capricious misrepresentations...
