EXHIBIT C – SPECIAL CONDITIONS

4. Special Terms & Conditions

4.1. INTENT

It is the intent of Pinellas County to establish an Agreement for Industrial Plumbing Supplies to be ordered, as and when required.

4.2. NON-NEGOTIABLE TERMS

While the County prefers that no exceptions to its contract terms be taken, the solicitation does authorize respondent to take exception to terms as part of its submittal. The County has deemed the following contract terms in the County's Standard Terms & Conditions <https://pinellas.gov/county-standard-terms-conditions/> to be non-negotiable:

Section 3: Compliance with Applicable Laws (all terms)

Section 7: Indemnification & Liability (all terms)

Section 8: Insurance & Conditions Precedent

Section 10(G): Governing Law & Venue

Section 12(A): Fiscal Non-Funding

Section 13: Confidential Records, Public Records, & Audit (all terms)

Section 19: Digital Content (all terms) *(if the Agreement includes software, online, or digital content services)*

Any terms required by law

4.3. PRICING/PERIOD OF CONTRACT

Percentage discount off MSRP or percentage mark-up from cost must remain firm for the duration of the Agreement. Duration of the Agreement will be for a period of 24-months from the date of the Agreement award and any extension thereof. All quotes submitted under this agreement must include current MSRP catalog price verification or vendor invoice for cost plus price verification. Current pricing can be updated at any time for the duration of the contract with sufficient documentation and acceptance by the County.

4.4. TERM EXTENSION(S) OF CONTRACT

The Agreement may be extended subject to written notice of agreement from the County and successful respondent, for 2 additional 24-month period(s) beyond the primary contract period. The extension shall be exercised only if all percentage discounts off MSRP or percentage mark-ups from cost remain the same and approval is granted by the Board of County Commissioners, County Administrator or Purchasing Director.

4.5. PRE-COMMENCEMENT MEETING

A Pre-commencement meeting will be held after the award of the Agreement and before the Agreement has started. Facility Representatives from all departments will be present to discuss their locations and any special instructions that may need to take place.

4.6. ORDERS

Within the term of this Agreement, County may place one or more orders for goods and/or services at the prices listed on the Pricing Proposal section of this solicitation, which is incorporated by reference hereto.

4.7. ASBESTOS MATERIALS

The Contractor must perform all Work in compliance with Federal, State and local laws, statutes, rules, regulations and ordinances, including but not limited to the Department of Environmental Protection (DEP)'s asbestos requirements, 40 CFR Part 61, Subpart M, and OSHA Section 29 CFR 1926.58. Additionally, the Contractor must be properly licensed and/or certified for asbestos removal as required under Federal, State and local laws, statutes, rules, regulations and ordinances. The County is responsible for filing all DEP notifications and furnish a copy of the DEP notification and approval for demolition to the successful Contractor. The County will furnish a copy of the asbestos survey to the successful Contractor. The Contractor must keep this copy on site at all times during the actual demolition.

4.8. SERVICES

The terms below are applicable if the Solicitation includes the provision of SERVICES:

1. **ADD/DELETE LOCATIONS SERVICES** - The County reserves the right to unilaterally add or delete locations/services, either collectively or individually, at the County's sole option, at any time after award has been made as may be deemed necessary or in the best interests of the County. In such case, the Contractor(s) will be required to provide services to this agreement in accordance with the terms, conditions, and specifications.

4.9. GOODS & PRODUCTS

The terms below are applicable if the Solicitation includes the purchase of GOODS or PRODUCTS:

1. **DELIVERY/CLAIMS** - Prices quoted will be FOB Destination, freight included and unloaded to location(s) within Pinellas County. Actual delivery address(s) will be identified at time of order. Successful Contractor(s) will be responsible for making any and all claims against carriers for missing or damaged items.

4.10. QUANTITIES

Any quantities stated are an estimate only and no guarantee is given or implied as to quantities that will be used during the Agreement period. Estimated quantities are based upon previous use and/or anticipated needs.

4.11. PERFORMANCE SECURITY

Not Applicable

EXHIBIT D – INSURANCE REQUIREMENTS

5. Insurance Requirements

5.1. INSURANCE (General)

The Vendor must provide a certificate of insurance and endorsement in accordance with the insurance requirements listed below, prior to recommendation for award. The Vendor shall obtain and maintain, and require any subcontractor to obtain and maintain, at all times during its performance of the Agreement in Phase 1 insurance of the types and in the amounts set forth. For projects with a Completed Operations exposure, Vendor shall maintain coverage and provide evidence of insurance for 2 years beyond final acceptance. All insurance policies shall be from responsible companies duly authorized to do business in the State of Florida and have an AM Best rating of VIII or better.

5.2. INSURANCE (Requirements)

1. Submittals should include, the Vendor's current Certificate(s) of Insurance. If Vendor does not currently meet insurance requirements, Vendor shall also include verification from their broker or agent that any required insurance not provided at that time of submittal will be in place prior to the award of contract. Upon selection of Vendor for award, the selected Vendor shall email certificate that is compliant with the insurance requirements. If the certificate received is compliant, no further action may be necessary. The Certificate(s) of Insurance shall be signed by authorized representatives of the insurance companies shown on the Certificate(s).
2. **The Certificate holder section shall indicate Pinellas County, a Subdivision of the State of Florida, 400 S Fort Harrison Ave, Clearwater, FL 33756. Pinellas County shall be named as an Additional Insured for General Liability. A Waiver of Subrogation for Workers Compensation shall be provided if Workers Compensation coverage is a requirement.**
3. Approval by the County of any Certificate(s) of Insurance does not constitute verification by the County that the insurance requirements have been satisfied or that the insurance policy shown on the Certificate(s) of Insurance is in compliance with the requirements of the Agreement. County reserves the right to require a certified copy of the entire insurance policy, including endorsement(s), at any time during the Bid and/or contract period.
4. If any insurance provided pursuant to the Agreement expires or cancels prior to the completion of the Work, you will be notified by CTrax, the authorized vendor of Pinellas County. Upon notification, renewal Certificate(s) of Insurance and endorsement(s) shall be furnished to Pinellas County Risk Management at InsuranceCerts@pinellascounty.org and to CTrax c/o JDi Data at PinellasSupport@ididata.com by the Vendor or their agent prior to the expiration date.
 1. Vendor shall also notify County within twenty-four (24) hours after receipt, of any notices of expiration, cancellation, nonrenewal or adverse material change in coverage received by said Vendor from its insurer Notice shall be given by email to Pinellas County Risk Management at InsuranceCerts@pinellascounty.org. Nothing contained herein shall absolve Vendor of this requirement to provide notice.
 2. Should the Vendor, at any time, not maintain the insurance coverages required herein, the County may terminate the Agreement,.

5. If subcontracting is allowed under this Bid, the Primary Vendor shall obtain and maintain, at all times during its performance of the Agreement, insurance of the types and in the amounts set forth; and require any subcontractors to obtain and maintain, at all times during its performance of the Agreement, insurance limits as it may apply to the portion of the Work performed by the subcontractor; but in no event will the insurance limits be less than \$500,000 for Workers' Compensation/Employers' Liability, and \$1,000,000 for General Liability and Auto Liability if required below.
 1. All subcontracts between the Vendor and its Subcontractors shall be in writing and are subject to the County's prior written approval. Further, all subcontracts shall
 1. Require each Subcontractor to be bound to the Vendor to the same extent the Vendor is bound to the County by the terms of the Contract Documents, as those terms may apply to the portion of the Work to be performed by the Subcontractor;
 2. Provide for the assignment of the subcontracts from the Vendor to the County at the election of Owner upon termination of the Contract;
 3. Provide that County will be an additional indemnified party of the subcontract;
 4. Provide that the County will be an additional insured on all insurance policies required to be provided by the Subcontractor except workers compensation and professional liability;
 5. Provide a waiver of subrogation in favor of the County and other insurance terms and/or conditions
 6. Assign all warranties directly to the County; and
 7. Identify the County as an intended third-party beneficiary of the subcontract. The Vendor shall make available to each proposed Subcontractor, prior to the execution of the subcontract, copies of the Contract Documents to which the Subcontractor will be bound by this Section C and identify to the Subcontractor any terms and conditions of the proposed subcontract which may be at variance with the Contract Documents.
6. Each insurance policy and/or certificate shall include the following terms and/or conditions:
 1. The Named Insured on the Certificate of Insurance and insurance policy must match the entity's name that responded to the solicitation and/or is signing the agreement with the County.
 2. Companies issuing the insurance policy, or policies, shall have no recourse against County for payment of premiums or assessments for any deductibles which all are at the sole responsibility and risk of Vendor.
 3. The term "County" or "Pinellas County" shall include all Authorities, Boards, Bureaus, Commissions, Divisions, Departments and Constitutional offices of County and individual members, employees thereof in their official capacities, and/or while acting on behalf of Pinellas County.
 4. All policies shall be written on a primary, non-contributory basis.

The minimum insurance requirements and limits for this Agreement, which shall remain in effect throughout its duration and for two (2) years beyond final acceptance for projects with a Completed Operations exposure, are as follows:

5.3. WORKERS' COMPENSATION INSURANCE

Worker's Compensation Insurance is required if required pursuant to Florida law. If, pursuant to Florida law, Worker's Compensation Insurance is required, employer's liability, also known as Worker's Compensation Part B, is also required in the amounts set forth herein.

1. Limits

1. Employers' Liability Limits Florida Statutory
 1. Per Employee \$ 500,000
 2. Per Employee Disease \$ 500,000
 3. Policy Limit Disease \$ 500,000

If Vendor is not required by Florida law, to carry Workers Compensation Insurance in order to perform the requirements of this Agreement, County Waiver Form for workers compensation must be executed, submitted, and accepted by Risk Management. The County Waiver Form is found at <https://pinellas.gov/services/submit-a-workers-compensation-waiver-request/>. Failure to obtain required Worker's Compensation Insurance without submitting and receiving a waiver from Risk Management constitutes a material breach of this Agreement.

5.4. COMMERCIAL GENERAL LIABILITY INSURANCE

Includes, but not limited to, Independent Vendor, Contractual Liability Premises/Operations, Products/Completed Operations, and Personal Injury.

1. Limits

1. Combined Single Limit Per Occurrence \$ 1,000,000
2. Products/Completed Operations Aggregate \$ 2,000,000
3. Personal Injury and Advertising Injury \$ 1,000,000
4. General Aggregate \$ 2,000,000

5.5. PROPERTY INSURANCE

Vendor will be responsible for all damage to its own property, equipment and/or materials.

EXHIBIT E – SCOPE OF WORK/SPECIFICATIONS

6. Scope of Work / Specifications

6.1. 1. OBJECTIVE/JUSTIFICATION

In accordance with attached specifications, it is the intent of Pinellas County to establish a contract for industrial plumbing supplies, furnished for Pinellas County Utilities (PCU), Maintenance Department (GMD) warehouses on an as needed basis. The Contractor will make a concerted effort to standardize warehouse operations and guarantee continuity of supply for both day-to-day orders and emergency orders.

6.2. 2. BACKGROUND

PCU supports four major functions: Water, Wastewater, Reclaim, and Solid Waste.

The work management system currently deployed within the Utilities Department is City Works. The City Works software is the primary program for managing inventory, scheduling maintenance of the infrastructure, creating requisitions, and issuing materials to trucks (aka rolling warehouses). Inventory is tracked and purchased based on the information provided in City Works.

6.3. 3. PLACEMENT OF ORDERS:

1.

1. All orders will be placed by Pinellas County Utilities Representatives on an as-needed basis for the quantity required at the time during the term of the Contract.
2. PCU may require deliveries to all plant locations and/or repair sites, up to and including the two warehouse locations: GMD South located at 6730 142nd Avenue North Largo, FL 33771 and GMD North located at 3900 Dunn Drive, Palm Harbor, FL 34683.
3. Due to the quantity and utilization of products, PCU will place a large volume of orders online when possible. The Contractor may provide PCU with the ability to place orders online if such ordering method is available.

6.4. 4. CONTRACTOR REQUIREMENTS:

Contractor shall provide all services and furnish required materials as specified or indicated:

1. Maintain constant contact with PCU staff in order to maintain minimum quantities of contracted stock to support daily PCU operations at GMD warehouses. This shall include providing information as to impending supply chain issues and concerns and to make a concerted effort to stock above the maximum inventory, if and when a threat may be imminent.

2. Contractor shall ensure that minimum levels of specified stock are being maintained by providing County staff with 24/7 access to the Contractor's inventory database for inquiry, with a downloadable option to an excel spreadsheet for printing.

3. Furnish and deliver requested materials within 1-3 business days to any designated PCU site within geographical Pinellas County. Contractor will stock and manage a minimum inventory to meet or exceed seven (7) calendar day requirements. Large project orders will be delivered to the project site throughout geographical Pinellas County, as specified by PCU. Requests shall be made at the time of order. Same day delivery or within eight (8) business hours will be required for emergency orders as defined by the County. If an item

is not available within this timeframe, the Contractor quote must provide the estimated lead time.

4. Shipments shall be accepted only between the hours of 8:00 A.M. and 2:30 P.M. Shipments received after 2:30 P.M. or without a delivery/shipping ticket shall be refused. If shipping instructions regarding pallets, crates, boxes, etc., as specified in Exhibit 1 or Materials Specifications are not complied with, the shipment will be refused.

5. Provide contact name and telephone number for 24/7 assistance for emergencies.

6. Manufacturer/Model: Manufacturers/brands provided for herein have been tested and Contractor represents that all items offered are in accordance with PCU's the then current Material Specification Manual Exhibit 1.

7. Only materials meeting the Pinellas County Material Specification Manual will be acceptable for this solicitation. Bid responses offering alternate manufacturers/models will not be considered. Where no manufacturer/brand, model, and/or manufacturer part number is specified, any materials meeting Pinellas County's Design Manual specifications and the item description provided by Pinellas County Utilities will be accepted. The Company shall be authorized by the manufacturer/brand to sell its Products, where such authorization is required.

8. Warranty: All Products supplied under the Contract shall be covered by a manufacturer's written guarantee and/or warranty that such Products will be free from defects in materials, workmanship, and performance for a minimum of one year; merchantable and in full conformity with the Specifications set forth in this ITB, industry standards, dimension charts, representations, and samples. The Company shall administer the warranty on PCU's behalf and shall ensure that the manufacturer repairs or replaces defective product in accordance with the applicable manufacturer's warranty.

1. The Company shall provide Pinellas County with copies of the manufacturer's written warranty for each Product, as requested.
2. Pinellas County shall not be responsible for any costs associated with warranty repairs and/or replacements.

9. Customer Service Representative: The Contractor must dedicate at least one Contract Point of Contact (POC) available by cell phone and email to address the needs of PCU. POC will be required to facilitate PCU's needs 24 hours per day, seven days per week, as necessary. This includes the ability for the POC to meet PCU Representatives (or their designees) at the Contractor's location before or after hours to pick up Product(s). POC shall be available to attend meetings regarding Product issues, upon request; will be responsible for providing immediate response and quick resolution of all the Service issues and complaints of PCU personnel; shall have an in depth knowledge of all items provided in this bid and have immediate access to manufacturers providing the Product items; and, shall have the ability and authority

to make decisions on behalf of their employer enabling them to provide both normal and emergency services, as necessary.

1. PCU reserves the right to request an alternate Customer Representative be provided should the then current Customer Service Representative not perform in a professional manner and/or fail to provide services as defined herein as deemed necessary in the sole discretion of the County.

10. Returns and Restocking Charges: The Contractor or applicable manufacturer must pick up any Products to be returned within twenty-four hours after PCU notifies the Contractor of the return. PCU will not pay restocking fees for Products that have been returned unless it is subject to minimum inventory requirements under this Agreement or is a specialty Product and PCU has been notified, at the time of placement of order, of the potential restocking charge. The Contractor shall issue a credit memo to the County within seven (7) calendar days of the return.

1. Reporting: The Contractor shall provide to PCU a usage report in a Microsoft Excel (or equal)-formatted document, via email, quarterly per Calendar Year, and within seven (7) business days of a request. Delivery of the report shall be to the PCU staff person(s) that made the request.
2. Reports shall be designed in such a manner that the information captured on the purchase request shall also be reflected in the report.
3. Each report shall list all items purchased during the requested timeframe. Each item listed shall include the division which requested the item, the item's manufacturer name and part/product number, the item's County part number, quantity ordered, and item unit and extended price.
4. Backorder reports shall be made accessible by the Contractor to PCU. While PCU's preference is to be able to view Product backorder information via an online portal in real-time, the Contractor may satisfy this requirement by manually (via email, text message, phone call, or other agreed-to methods) providing the information to PCU for Product(s) ordered that are out-of-stock for more than three (3) business days from order placement. This report shall detail each specific Product and related quantities so that overstocking does not occur. If the Company's website does not have the capability for PCU to generate its own backorder report, the Contractor shall provide such report to PCU via email within one (1) business day of the initial request.

6.5. 5. COUNTY REQUIREMENTS:

1. Upon award, PCU shall provide the Contractor with a list of stock items, purchasing descriptions, minimum and maximum levels, and past twelve (12) months usage.
2. The County shall provide all specifications and protocols for connectivity required for e-commerce implementation.
3. Products Under Contract: PCU reserves the right to add or delete Products to this Contract if particular Products should become discontinued, or an upgraded Product becomes available to the industry markets. Any new or replacement Products added will be subject to bid statute requirements. PCU may also delete Products included in this Contract if the Products are no longer needed by PCU.
4. Parts may become obsolete or no longer available through the manufacturer. Contractor may substitute parts on an as needed basis with Purchasing and Utilities Department approval. In the event that parts are substituted, quotes should clearly indicate part number and respective group number the item is associated with to verify markup/discount.
