

PINELLAS PURPLE HEART PARK

PETITION

We, the citizens of Pinellas County, hereby submit this petition to the Board of County Commissioners to designate the Seminole Water Tank Station land at 11323 74th Avenue located in the unincorporated Seminole area to be a park in perpetuity to honor recipients of the Purple Heart.

Your signed petition will support the following:

- Park will be first in Pinellas County to honor Purple Heart veterans who served our country.**
 - Park will provide a convenient location to visit and learn about the Purple Heart award.**
 - Park will be located in high traffic area and park will be noticed.**
 - Park will preserve a green area in Pinellas County.**
 - Park will prevent development increasing congestion in an active area.**

Pinellas Purple Heart Park

Designate The Seminole Water Tank Station Land To Be A Park In Perpetuity To Honor Recipients Of The Purple Heart

Pinellas County has been designated a Purple Heart county.

BUT, Pinellas does not have a Purple Heart park.

There are trails and some road markers, but no special place for our Purple Heart veterans, family, and friends to visit in the honor of our heroes. In addition, the park will provide a place to learn about this special award. For this reason and other considerations, as noted on the petition, citizens are petitioning the Board of County Commissioners to designate a parcel of county land to be a Purple Heart Park. Time is of the essence, we need you to support this petition **AS QUICKLY AS POSSIBLE** to preserve the land.
