

# Land Development Code Amendments

Case #LDR-24-02

April 23, 2024

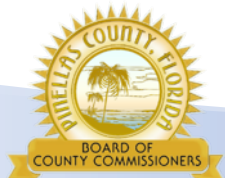

**Our Vision:**  
To Be the Standard for  
Public Service in America.

# Background Information - DRC

## Development Review Committee (DRC)

- **Established by the 2018 major Code update, which defined its composition, powers and duties, meeting requirements, etc.**
- **Comprised of County staff from various departments**
- **Reviews and Acts on certain development proposals to ensure compliance with the Code and Comprehensive Plan**
- **Final authority on certain administrative adjustments and waivers**
- **Provides recommendations on public hearing cases to higher review authorities (e.g., Board of Adjustment & Local Planning Agency)**
- **Last Code update in October 2023**

# Proposed Ordinance Highlights

## Amend the Land Development Code to provide revised review authority and composition of DRC

- **Authority will change to a review and analysis body**
- **Removal of decision-making authority**
- **Provide a collaborative technical review and analysis to assist staff with their recommendation to higher review authorities**
- **Amend its composition to ensure members represent the appropriate technical knowledge**
- **Adjust its meeting requirements to promote flexibility and clarity**
- **Meetings still remain open to the public**

# Proposed Ordinance Highlights

## Amend the Land Development Code to provide revised processes for applications and decision-making authority

- **Administrative Adjustments and Waivers, and Vested Rights Determination**
  - Authority moved to County Administrator or designee
- **Floodplain variances and Stormwater Manual Waivers**
  - Authority moved to Public Works Special Magistrate
- **Chapter 142 Airport Zoning variances**
  - Authority moved to Board of Adjustment and Appeals

# Recommendation

- **Proposed Code Amendments are intended to provide flexibility and enhance customer service**
- **Reviewed by internal and external stakeholders**
- **Consistent with the Comprehensive Plan**
- **Development Review Committee recommends Approval**
- **Local Planning Agency – Recommended Approval (6-0 vote)**
- **This is the second of two required BCC public hearings**
