OPRAH'S FAVORITE THINGS

Toffee Break

Buttery, crunchy, and coated with scrumptious combinations of chocolate and nuts — white with macadamia, dark with pecan, and milk with almond — these handmade treats from a family recipe are toffee at its most delectable.

– O, The Oprah Magazine

COLIN COWIE'S FANTASTIC FINDS

"Your toffee was the talk of the evening yet again! We served it the other night at a dinner party at our home and our guests were absolutely raving about the toffee... it is truly beyond! As you know we have ordered it as gifts for friends and family, and we have also ordered it for our events and every time it gets stellar reviews! We remain devoted fans."

– Colin Cowie, World renowned event planner

In 2003, we started with 60 branded boxes of Toffee to Go for my customers and now we order close to 2000 branded boxes each year! We give Toffee to Go at every closing and to everyone who refers business our way. We love it as a gift for every occasion. It is the sweetest gift and I have lots of customers and friends who agree!

I have recommended Toffee to Go to other agents around the country because it is a great treat for my wonderful customers and theirs. My boxes are branded and **my customers expect to have a little toffee treat, year after year.** Toffee to Go was on my favorites list, long before Oprah found it, but I am glad she knows what Tampa Bay knows! Toffee to Go is wonderful and a great way to build your brand.
