No DISCUSSION ON ITEM # 4 RESOLUTION "UNANTICIPATED" FUNDS,  
PRESENTATION  
DAVID BALLARD GODDIS JR  
GEORGIA AVE  
PALM HARBOR

BOCC Pinellas 2-06-18

Over 200 years ago a war began against Christianity. A war known as the U.S. Constitution.

~~freely~~ <sup>FREELY</sup> our government has constituted itself to be a *ship of war*, here to hold, to "Uniformly Bankrupt", to capture the water supply, to impose (statute 197.363(2)) Direct taxation in Art 1 sec 2, to tax (us) Directly as "Qualification requisite" of Hamilton's first constitution, which is constituted as a "Useful Art for limited times" in Art 1 sec 8,

~~to~~ <sup>DECLARING</sup> ~~freely~~ ~~Despotic~~ ~~Absolute~~ powers over the water supply, birthed "jurisdictionally" in the 14<sup>th</sup> Amendment, "thereof", to *resolve*, to *rule*, to *legislate* (access to water is now) <sup>RULED AS A</sup> *privilege* in County (Resolution) 95-286, intent on taking the liberty, property and life of the Gentiles, as applied in the reclaimed water "variance".

The Declaration of Independence, <sup>COUNTERFEITING</sup> ~~as "counterfeited"~~ (serves as preamble to Hamiltons second constitution based on water) The Declaration of Independence *clearly* states this government is here to take us "Captive on the High Seas", "to complete perfidy and works of death", to ravage our coasts and to burn down our towns.

~~As Declared~~ <sup>AS DECLARED</sup>, here are some photos depicting, the "staging" of the burning of our towns. The apartment complex development is made entirely out of "match sticks". The code of not having fire walls between each dwelling unit *reveals* a deliberate fire hazard that ~~could~~ and most likely will burn down the entire complex, *staging/conjuring/bringing on* the destruction of the lives of the people and desolation upon the town. Clearly this government <sup>SETTING SNARES</sup> ~~is~~ deliberately desecrated this land and water. We are on the verge of a humanitarian crisis. <sup>SETTING SNARES</sup> ~~is~~ The "certificate of occupancy" of <sup>ARTICLE 6</sup> ~~this~~ government shall be/is denied.

~~Declaring itself to be a Candid World here to "let us fall at our own hands"~~  
(Carpetbagging) And is totally unworthy of heading up a civilized nation, as Declared.

our enemies, but the silence of our friends."*

REV. DR. MARTIN LUTHER KING, JR. INTERFAITH SERVICE

Sunday, January 14, 2018, 3 p.m.

St. Jude's Catholic Cathedral

### **Prelude**

*Provided by St. Jude's Cathedral*

### **"Lift Every Voice and Sing"**

Led by Christ Gospel Choir

Composed and written by James Weldon Johnson, "Negro National Anthem"

Lift every voice and sing, till earth and Heaven ring,  
Ring with the harmonies of liberty;  
Let our rejoicing rise, high as the list'ning skies,  
Let it resound loud as the rolling sea.  
Sing a song full of the faith that the dark past has taught us,  
Sing a song full of the hope that the present has brought us;  
Facing the rising sun of our new day begun,  
Let us march on till victory is won.

Stony the road we trod, bitter the chast'ning rod,  
Felt in the days when hope unborn had died;  
Yet with a steady beat, have not our weary feet,  
Come to the place for which our fathers sighed?  
We have come over a way that with tears has been watered,  
We have come, treading our path through the blood of the slaughtered;  
Out from the gloomy past, till now we stand at last  
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,  
Thou Who hast brought us thus far on the way;  
Thou Who hast by Thy might, led us into the light,  
Keep us forever in the path, we pray.  
Lest our feet stray from the places, our God, where we met Thee.  
Lest our hearts, drunk with the wine of the world, we forget Thee.  
Shadowed beneath thy hand, may we forever stand,  
True to our God, true to our native land.

## A NETWORK OF MUTUALITY

Leader: We are caught in an inescapable network of mutuality,  
tied in a single garment of destiny.

People: Injustice anywhere is a threat to justice everywhere.

Leader: There are some things in our social system to which all  
of us ought to be maladjusted.

People: Hatred and bitterness can never cure the disease of fear,  
only love can do that.

Leader: We must evolve for all human conflict a method which  
rejects revenge, aggression, and retaliation.

People: The foundation of such a method is love.

Leader: Before it is too late, we must narrow the gaping chasm  
between our proclamations of peace and our lowly  
deeds which precipitate and perpetuate war.

People: One day we must come to see that peace is not merely a  
distant goal that we seek but a means by which we  
arrive at that goal.

Leader: We must pursue peaceful ends through  
peaceful means.

People: We shall hew out of the mountain of despair, a stone of  
hope.
