Commissioner Seel,

I am writing you to express my support for the North Pinellas Trail Loop. As a Countryside resident I am very pleased that this section of the Pinellas Trail will be open in our area. I have been looking forward to being able to use the trail for recreation and as an alternate mode of travel to dealing with the increasing road traffic.

It is my sincere hope that the Commission will move forward with the current design. The negative aspects of the alternate McMullenbooth road route will decrease safety for residents wanting to use the trail as well as adversely impact vehicle traffic.

I appreciate your consideration.

Thank you,

Ron Larkins

Dear Commissioner Seel, my wife and I are regular users of the Trail, often riding it 3, 4 or 5 days a week. I serve on the Bicycle-Pedestrian Advisory Committee and my wife and I are also Auxillary Rangers. We feel very fortunate to have this resource available to us for exercise and enjoyment, and look forward to the total completion of the eastern leg of the trail so that it forms a complete loop! We hope that you and your fellow commissioners will do everything in your power to see that this project is completed asap! I strongly urge you and your fellow commissioners to start construction on the northeastern section of the Pinellas Trail. It will complete the gap to the northern route. It was planned, designed, engineered, zoned and approved to be completed by the end of 2020. The funding has long been approved and needs to be completed by the end of 2020. This is a plan for recreational, business, and tourist use of the Pinellas Trail. J. Hirschfield, M.D., V.P. Pinellas Trails, Inc.; Auxilliary Ranger for PC Parks, and living in Countryside.

Dear Commissioner Seel,

My wife and I are property owners in Largo, although we only reside there in the winter months. We especially enjoy riding the Pinellas trail on 3-4 days a week and have been eagerly anticipating the planned expansion of the loop.

We hope your committee will push ahead with it's progress.

Sincerely

Dear Commissioner Seel,

My wife and I would like to encourage you and the commissioners to move to complete the Pinellas Trail Project. What a great opportunity we in Pinellas County have, especially on the western side of the county: those on the eastern side, not so much.

When we have company visit from out of town we have them rent bikes and we all go biking. How great it is to visit with family and friends while outside and doing something healthy. We are in our 70s. I use the trail usually 3 - 4 times a week year-round. My wife and several of her girl friends use the trail weekly until summer discourages them.

Thank you for taking the time to read this.

Happy Biking to all of us in Pinellas County,

Gordy Hawkins
