

MEMORANDUM OF AGREEMENT

This MEMORANDUM OF AGREEMENT, dated as of June 6, 2018, between the HOUSING FINANCE AUTHORITY OF PINELLAS COUNTY, FLORIDA (the "Authority") and SP PINELLAS I LLC, a Florida limited liability company, duly organized and existing under the laws of the State of Florida (the "Owner").

SECTION 1. The matters of mutual inducement and reliance which resulted in the execution of this Memorandum of Agreement are as follows:

(a) The Authority is authorized and empowered by Chapter 159, Part IV, Florida Statutes, as amended (the "Act"), to provide for the issuance of and to issue and sell its revenue bonds for the purpose of paying all or any part of the cost of any "affordable housing project" as defined in the Act.

(b) In order to improve the availability of affordable housing in Pinellas County, Florida (the "County"), it is desirable that the Authority issue and sell its Multifamily Housing Revenue Bonds, in the aggregate principal amount of not to exceed \$9,500,000, in one or more series at one or more times, a portion of which may be issued as taxable bonds (the "Bonds").

(c) The Authority intends to use the proceeds thereof, to the extent of such proceeds, as follows: (i) to pay all or any part of the cost of issuance of the Bonds, (ii) to pay all or any part of the cost of the acquisition, construction and equipping of the multifamily residential rental facilities to be known as Palmetto Pointe Apartments located on approximately 3.4 acres of land located on the East side of 49th Street, North, approximately 480 feet North of the intersection of 78th Avenue N and 49th Street, North, Pinellas Park, Florida (the "Project") on behalf of the Owner, and (iii) to pay any other "cost" (as defined in the Act) of the Project.

(d) Subject to further review of specific terms of the proposed financing and subsequent additional approval by the Authority and subject to the recommendation and approval of the Authority's credit underwriter and satisfaction of the conditions precedent set forth below, the Authority intends to finance the Project for the Owner from proceeds of the sale of its Bonds, such loan to be payable by the Owner in installments sufficient to pay the principal of, premium (if any), interest and costs due on the Bonds when and as the same become due.

(e) The Owner has requested that the Authority enter into this Memorandum of Agreement for the purpose of declaring the Authority's intention to provide financing to pay a portion of the cost of the Project.

(f) The Authority, by resolution duly passed and adopted, has made certain findings and determinations and has approved and authorized the execution and delivery of this Memorandum of Agreement.

(g) The Owner represents that Bond proceeds will not be used to finance any costs for the Project incurred prior to the date that is 60 days prior to the date on which the Authority first declared its "official intent" to issue its revenue bonds to finance the Project as described in Treasury Regulation Section 1.150-2, except to the extent allowed by federal tax law.

SECTION 2. The Authority will cooperate with the Owner and its agents in the Owner's efforts to find one or more purchasers for the Bonds, and if purchase arrangements satisfactory to the Authority and the Owner can be made by the Owner and its agents, the Authority will authorize the issuance and sale of the Bonds, and will issue and sell the Bonds to such purchaser or purchasers of the Bonds as may be designated by the Owner, all upon such terms and conditions as shall be approved by the Owner and the Authority and authorized by law; provided, however, that in the event and during the time in which the Bonds are not rated in one of the two highest rating categories by at least one nationally recognized credit rating agency, the Authority will approve the sale of the Bonds solely as a single bond in a denomination equal to the principal amount thereof (or of each series thereof) and solely to a single accredited investor which will at no time cause the Bonds to be offered for sale to the general public (unless the Bonds are then rated in one of the two highest rating categories by a nationally recognized rating agency). The Bonds will be payable solely from the revenues and proceeds derived by the Authority from payments by the Owner derived from the operation, leasing or sale of the Project, and will not constitute a debt, liability or obligation of the Authority, or of the State or of any other political subdivision thereof. The Authority shall not be obligated to pay the same nor interest, premium (if any) or costs thereon except from the revenues and proceeds pledged therefor, and neither the faith and credit nor the taxing power of the Authority or of the State or of any other political subdivision thereof will be pledged to the payment of the principal of, premium (if any), interest or costs due pursuant to or under such Bonds.

From the date hereof, until the sale of the Bonds, the Owner will, within ten (10) days after its occurrence, notify the Authority of any material change, whether or not adverse, in the business, operations or financial condition of the Owner. In the event the Authority shall, at any time prior to sale of the Bonds, determine in its sole discretion that there has been a material adverse change in the business, operations or financial condition of the Owner based upon financial statements or notices provided by the Owner in accordance herewith, the obligation of the Authority to issue and sell the Bonds shall, at the option of the Authority, be terminated.

SECTION 3. The Authority will, at the proper time, and subject in all respects to the prior advice, consent and approval of the Owner, submit applications, adopt such proceedings and authorize the execution of such documents as may be necessary and advisable for the authorization, sale and issuance of the Bonds and the construction and equipping of the Project, all as shall be authorized by law and mutually satisfactory to the Authority and the Owner.

SECTION 4. The Bonds issued shall be in such aggregate principal amount, shall bear interest at such rate or rates, shall be payable at such times and places, shall be in such forms and denominations, shall be sold in such manner and at such time or times, shall have such provisions for redemption, shall be executed, and shall be secured, all as shall be authorized by the Act and all on terms mutually satisfactory to the Authority and the Owner.

SECTION 5. The Authority will use and apply the proceeds of the issuance and sale of the Bonds, or cause such proceeds to be used and applied, to the extent of such proceeds, to pay the cost of the Project, and will loan such Bond proceeds to the Owner for the Project pursuant to a financing agreement requiring the Owner to make payment for the account of the Authority in installments sufficient to pay all of the interest, principal, redemption premiums (if any) and other costs due under and pursuant to the Bonds when and as the same become due and payable, to operate, repair and maintain the Project at the Owner's own expense, to pay all other costs incurred by the Authority in connection with the financing of the acquisition, construction and equipping of the Project which are not paid out of the Bond proceeds or otherwise for so long as any of the Bonds remain outstanding, and for the conveyance to the Owner of all rights, title and interest of the Authority in and to the Project when all of the obligations of the Owner under the financing agreement have been performed and satisfied.

SECTION 6. The Owner hereby acknowledges and accepts that it shall be solely responsible for the acquisition, construction and equipping of the Project, it being understood and agreed that the Owner shall provide all services incident to the construction and equipping of the Project (including, without limitation, the preparation of plans, specifications and contract documents, the award of contracts, the inspection and supervision of work performed, the employment of engineers, architects, building and other contractors) and that the Owner shall pay all costs of the Project, subject to reimbursement by the Authority upon the issuance and sale of the Bonds as permitted by applicable State law and federal tax law, and the use and application of the proceeds thereof as provided above. The Authority shall have no responsibility for the provision of the aforesaid services. The Owner agrees that to the extent that the proceeds derived from the sale of the Bonds are not sufficient to complete the Project, the Owner, as the owner of the Project, will be responsible for supplying all additional funds which are necessary for the completion of the Project. So long as this Memorandum of Agreement is in effect all risk of loss to the Project will be borne by the Owner.

SECTION 7. At or prior to the time of issuance and sale of the Bonds, the Authority will enter into a trust indenture with a corporate trustee (the "Trustee") to secure the Bonds, whereby the Authority's interest in the Project, the financing agreement with the Owner, and all fees, rents, charges, proceeds from the operation of the Project, and other funds and revenues in respect of the Project, will be pledged and assigned to the Trustee, and held by the Trustee in trust, for the benefit of the holders, from time to time, of the Bonds.

SECTION 8. At or prior to the time of issuance and sale of the Bonds, the following conditions precedent shall have been satisfied:

(a) The Owner shall have satisfactorily completed all procedures established by the Authority for the review and approval of multifamily housing revenue bond issues, and provided for the payment of all costs of issuance associated with the issuance of the Bonds, including, but not limited to, the fees and expenses of the Authority, its counsel, bond counsel (in accordance with the Authority's fee schedule), fees and expenses of the trustee, credit enhancement fees, rating fees, printing costs and any underwriting fees and expenses.

(b) The Authority shall have duly passed and adopted resolutions making all findings required by law and authorizing the issuance and sale of the Bonds and the execution and delivery of the financing agreement, the trust indenture and such other agreements, instruments and documents as may be required to be specifically authorized. It is an express condition of this Memorandum of Agreement that the Bonds be sold only in the manner approved by the Authority.

(c) The Owner shall have authorized the execution, delivery and performance of the financing agreement, and approved the trust indenture and the issuance and sale of the Bonds, and authorized or approved such other agreements, instruments and documents for which specific authorization or approval may be required.

(d) The Owner shall have provided a satisfactory opinion of its counsel with respect to the due authorization, execution and delivery of the financing agreement, and related agreements, instruments and documents, their legality, validity, binding effect and enforceability in accordance with their respective terms, and the absence of any violation of law, rule, regulation, judgment, decree or order of any court or other agency of government and agreements, indentures or other instruments to which the Owner is a party or by which it or any of its property, is or may be bound and to such other matters as may be reasonably requested.

(e) The Owner and the Authority shall have executed and delivered such non-arbitrage certificates and representations, as may be required to comply with Section 148 of the Internal Revenue Code of 1986, as amended or any similar successor provisions and the regulations, rulings and interpretative court decisions thereunder.

(f) Bryant Miller Olive P.A., as bond counsel, shall have delivered its opinion with respect to the validity of the Bonds, and to the income tax status of the interest on the Bonds.

(g) The Owner shall have provided such other or additional representations, warranties, covenants, agreements, certificates, financial statements, and other proofs as may be required by the Authority or by Bryant Miller Olive P.A., as bond counsel, it being expressly understood that the Authority retains full discretion to approve or disapprove all terms and conditions contained in the financing documents.

(h) There shall have been obtained confirmation of an allocation from the Division of Bond Finance of the State of Florida or any successor thereto for issuance of the Bonds to finance the Project.

SECTION 9. In the event that the Bonds are not issued and sold and the transactions contemplated hereby are not closed within the time limit permitted by the confirmation of an allocation (referred to in 8(h) above) for any reason whatsoever and whether or not as a result of any failure to find one or more purchasers for the Bonds, any default or failure of performance by the Authority, the inability of the Authority to issue and sell the Bonds or the failure or inability of the Authority and the Owner to agree to the terms and conditions of the agreements, instruments and other documents provided for herein or contemplated hereby, the Owner agrees unless waived in the sole discretion of the Authority that:

(a) The Owner will (i) pay all its costs and expenses, including any fees due any attorneys, financial agents or others employed by the Owner, (ii) pay the reasonable fees and expenses of bond counsel, and (iii) reimburse the Authority for all reasonable out-of-pocket costs and expenses, including reasonable fees and expenses of the Authority's counsel and bond counsel, which the Authority may have incurred in connection with or contemplated by this Memorandum of Agreement.

(b) The Owner will indemnify and hold the Authority, and the Authority's members, officers, employees and agents, harmless against any liabilities, allegations or claims of loss or damage (including attorneys' fees and expenses) pertaining to the Project, the Bonds, or any transaction contemplated hereunder, or arising out of or predicated upon this Memorandum of Agreement, any action or non-action taken or omitted in reliance upon this Memorandum of Agreement, or any default or failure of performance hereunder.

SECTION 10. No covenant or agreement contained in this Memorandum of Agreement or the Bonds, the trust indenture, the financing agreement, or in any other instrument relating to the Bonds or the Project, shall be deemed to be a covenant or agreement or any member, officer, employee or agent of the Authority in an individual capacity, and neither the members or any other officer of the Authority executing the Bonds or any such agreements or instru-

ments shall be liable personally thereon or be subject to any personal liability or accountability by reason thereof.
