Countywide Planning Authority

51. [21-2244A](#) Case No. CW 21-13 - City of St. Petersburg
Countywide Plan Map amendment from Activity Center to Activity Center,
regarding 17.91 acres more or less, located at the northwest corner of
Gandy Boulevard and I-275

Recommendation: Sitting as the Countywide Planning Authority, adopt an ordinance approving Case No. CW 21-13, a proposal by the City of St. Petersburg to amend the Countywide Plan Map from Activity Center to Activity Center, regarding 17.91 acres more or less, located at the northwest corner of Gandy Boulevard and I-275.

* The amendment area is located east of 28th Street North and north of Gandy Boulevard, in the Gateway Activity Center, and is part of a larger parent parcel totaling approximately 93.38 acres, owned by Jabil Circuit, Inc.

* While the Countywide Plan Map category is remaining the same as Activity Center, the underlying local future land use category is changing from Industrial Limited to Planned Redevelopment - Commercial (PR-C).

* This land use change must be processed as a Tier II amendment due to the requirements outlined in Countywide Rules Sections 6.2.2.1 and 6.5.4.4, which mandate any amendments to an Activity Center which converts a category corresponding to Employment, Industrial or Target Employment Center to another local future land use map category are subject to such requirements.

* It is the intent of the developer to build approximately 410 units for multifamily residential housing, in addition to an approximately 600,000 square feet (sf) of industrial development. At the local future land use level, residential is not an allowable use under the Industrial Limited category, hence the proposed amendment to the PR-C category.

* The developer has entered into a Development Agreement with the City, requiring that at least 200,000 sf of industrial uses be built prior to, or concurrently with, any multifamily residential uses. Additionally, at least 20 percent of the multifamily residential units must be designated as workforce housing, pursuant to the City's definition of such. These residential units will be built on the 17.91 acres of the subject area and the industrial building(s) will be built on the remainder of the parent parcel.

* This Development Agreement replaces a previous agreement from 2010 which originally approved the development of 450,000 sf of office space, 500,000 sf of light industrial, and 50,000 sf of retail on the parent subject property. The new Development Agreement allows a maximum of 500 multifamily residential units and a maximum of 1,000,000 sf for industrial uses.

* Based on information provided by Pinellas County Economic Development, it is anticipated that 1,000,000 square feet of general industrial uses on this property could provide for approximately 531 employees with average annual wages of approximately \$71,085.00, which exceeds the county's average annual salary of \$48,901.00.

* The proposed Development Agreement would allow for increased potential target employment opportunities and higher wages as compared to the previous agreement.

* Forward Pinellas and the Planners Advisory Committee each voted unanimously to recommend approval of this proposal.

52. [21-2245A](#) Case No. CW 21-15 - City of Pinellas Park
Countywide Plan Map amendment from Employment, Retail and Services
and Target Employment Center to Retail and Services and Target
Employment Center, regarding 5.25 acres more or less, located
approximately 750 feet southwest of Ulmerton Road and 49th Street
North.

Recommendation: Sitting as the Countywide Planning Authority, adopt an ordinance approving Case No.
CW 21-15, a proposal by the City of Pinellas Park to amend the Countywide Plan Map
from Employment, Retail and Services and Target Employment Center to Retail and
Services and Target Employment Center.

* The amendment area is located on the southwest corner of Ulmerton Road and 49th
Street North, behind, and not including, a Shell gas station, and is currently used as a
stormwater pond shared between two existing hotels.

* Currently, the northern portion of the stormwater pond is designated Retail and
Services, and the southern and southwestern portion is designated Employment.

* The amendment area's use as a stormwater pond and the Target Employment Center
overlay will remain unchanged.

* The proposed amendment to Retail and Services will allow the stormwater pond to
match the category of the hotel parcels and allows its associated density to be used for
an adaptive reuse of the two existing hotels.

* The two existing hotels are proposed to be converted into 183 residential multifamily
units, with 8 of these units designated as affordable housing, and approximately 3,747
square feet of retail space.

* Forward Pinellas and the Planners Advisory Committee each unanimously
recommended approval of this proposal.

BOARD OF COUNTY COMMISSIONERS

53. [21-1424A](#) Petition of Mikhail A. Fokin, Zilya Ruga, Hugo E. Gonzalez, Rosemary Craig Gonzalez, Kimble McNeal, and Mary McNeal to vacate the 50-foot wide right-of-way of Palmetto Avenue lying east of Elm Street and west of Church Street and also the 10-foot wide alley lying east of and adjacent to Lots 6 through 10, Block 2 and west of and adjacent to Lots 1 through 5, Block 2, all being a part of Jackson Park Subdivision, Plat Book 4, Page 1, lying in Section 33-28-16, Pinellas County, Florida. (Legislative Hearing)

Recommendation: Denial of the petition to vacate a 50-foot wide right-of-way of Palmetto Avenue and also the 10-foot wide alley based on County staff objections. However, if granted, adopt the attached resolution pursuant to §336, Florida State Statutes.

* The petitioners are requesting to vacate a 50-foot wide right-of-way and also a 10-foot wide alley adjacent to the property located at 728 Elm Street, Safety Harbor.

* The petitioners are requesting the vacation to a) allow for an increase in property size, b) avoid the need to improve Palmetto Avenue, and c) remain within unincorporated Pinellas County (i.e. not annex into Safety Harbor).

* County staff recommend denial of the vacation request because the right-of-way and alley provide the ability to improve stormwater drainage for the surrounding area and the Palmetto Avenue right-of-way provides connectivity to Church Street and potential future transportation improvements.

* The 50-foot wide right-of-way of Palmetto Avenue and also the 10-foot wide alley are being evaluated for transfer from Pinellas County to the City of Safety Harbor (City) for municipal purposes.

* The City communicated objections of the vacation request because it would create a "need for easements for public utilities...to be retained or relocated," it "would cause a substantial detrimental effect upon or substantially impair or deny access to any lot of record," it "would adversely impact the existing roadway network," and "there is a present or future need for the right-of-way."

Authorize the Clerk of the Circuit Court to record the resolution in the public records of Pinellas County.

54. [20-2387A](#) Petition of Robert D. Saner, Jennifer L. Saner, Ben Warren Gillen, Molly Glaser, 2013-1 IH Borrower LP, and Jeffrey L. Gray to vacate the south 260 feet of 18th Street lying north of and adjacent to the north right-of-way of Georgia Avenue and east of Block 79 and west of Block 78, Map of Sutherland, Plat Book H1, Page 1, Public Records of Pinellas County, Florida, lying in Section 1-28-15, Pinellas County, Florida. (Legislative Hearing)

Recommendation: Denial of the petition to vacate the south 260 feet of the 18th Street right-of-way based on County staff objections. If granted, adopt the attached resolution pursuant to § 336, Florida State Statutes.

* There is a 260-foot platted and unimproved right-of-way adjacent to the petitioners' properties.

* The petitioners are requesting the vacation to allow for an increase in property size and to resolve existing encroachments in the right-of-way.

* County staff recommend denial of the vacation request because the vacation of 18th Street would result in a "superblock", exceeding the maximum of 900 feet allowed per the Pinellas County Land Development Code, Section 154-126.

* If vacated, County staff has requested that the vacation be contingent upon the retention of a 12-foot wide utility easement centered over an existing water line within the proposed vacation area.

Authorize the Clerk of the Circuit Court to record the resolution in the public records of Pinellas County.

55. [21-2178A](#) Tax Equity Fiscal Responsibility Act Resolution for the issuance by the Pinellas County Health Facilities Authority of its Healthcare Facilities Refunding and Revenue Bonds in an aggregate principal amount not to exceed \$23,000,000.00 on behalf of Mease Life, Inc.

Recommendation: Conduct a public hearing and consider the adoption of a Tax Equity Fiscal Responsibility Act (TEFRA) resolution granting TEFRA approval of the Pinellas County Health Facilities Authority Healthcare Facilities Refunding and Revenue Bonds in an aggregate principal amount not-to-exceed \$23,000,000.00 on behalf of Mease Life, Inc. (Borrower).

* Borrower is requesting issuance of bonds for the purpose of:

a.) Financing, refinancing and reimbursing costs of certain capital expenditures related to the health facilities of the Borrower

b.) Refunding the Authority's outstanding Health Care Facilities Revenue and Revenue Refunding Bonds, Series 2013

c.) Refinancing an outstanding commercial note for a borrowing undertaken by Borrower in 2019

d.) Paying capitalized interest on the Bonds

e.) Funding certain reserve funds

f.) Paying certain costs of issuance of the Bonds

* Borrower is responsible for payments of all fees and expenses.

* Issuance of these bonds will have no fiscal impact on the County.

* Based upon the recommendation of the Pinellas County Health Facilities Authority, waive the indigent health care fee.

56. [21-2232A](#) Moratorium relating to Section 14-29, Chapter 14 of the County Code relating to the expansion of commercial locations engaging in the retail sale of cats and dogs in Pinellas County.

Recommendation: Conduct a public hearing for a proposed moratorium on the expansion of commercial locations engaging in the retail sale of cats and dogs in Pinellas County.

* Approve a one year moratorium on the expansion of commercial locations engaging in the retail sale of cats and dogs in Pinellas County.

* The Board of County Commissioners intends to examine options appropriate to Pinellas County to regulate retail pet sales within the county. While examining this issue, it is in the best interest of the County, and the life, health, safety, and welfare of residents, animals, and potentially impacted businesses, to avoid the potential expansion of pet sale activities within Pinellas County.

ADJOURNMENT

Special Accommodations

Persons with disabilities who need reasonable accommodations to effectively participate in this meeting are asked to contact Pinellas County's Office of Human Rights by e-mailing such requests to accommodations@pinellascounty.org at least three (3) business days in advance of the need for reasonable accommodation. You may also call (727) 464-4882.

Public Participation Procedures

Persons wishing to comment regarding a specific agenda item should do so:

In person - by preregistering at pinellascounty.org/comment or by filling out a comment card with the County staff person in the meeting room; or,

Virtually - in advance in accordance with the instructions in the notice of this meeting, or on the virtual platform or phone after preregistering.

Members of the public wishing to make comments on the virtual platform or by phone must preregister by 5 p.m. the day before the meeting. At the scheduled section of the meeting when the item is before the Board of County Commissioners (Board), the Chairman or Clerk will call on each individual, one by one, to be heard. Each individual may speak for up to three minutes as may be modified by the Chairman. Comments or behavior that violate Pinellas County Commission Public Participation and Decorum Rules will be disconnected. Members of the public who cannot attend at the time an agenda item is before the Board may offer comments during the Citizens to Be Heard section near the beginning of the meeting. More information is available at www.pinellascounty.org/BCC_Participation.htm or by calling (727) 464-4400.

Public Hearing Procedures

The procedure used by the Board in conducting Public Hearings is to have a staff presentation followed by the applicant presenting the specific proposal. The Board will then hear comments from the proponents, the opponents and a staff summary. The applicant will then be given an opportunity to close and the Board will decide on the matter. Public Hearings before the Board are governed by the provisions of Section 134 -14 of the Pinellas County Land Development Code as may be modified by Pinellas County Emergency Order. That code provides that at the conclusion of each person's presentation, any speaker may seek the Chairman's permission to ask questions of staff.

Specifically:

1. At the conclusion of the presentations by the applicant and any proponents, all affected parties may seek the Chairman's permission to ask questions of or seek clarification from the applicant and/or the proponents.
2. At the conclusion of the presentation by the opponents, all affected parties may seek the Chairman's permission to ask questions of or seek clarification from any opponent.

The applicant's closing comments will address testimony subsequent to his or her presentation. Continuing rebuttal of other than directly preceding testimony will not be allowed. Because much testimony has already been submitted in writing, the following guidelines accommodate efficient presentations:

1. The applicant should present his or her entire case, including rebuttal, in no more than 20 minutes.
2. Persons wishing to speak regarding a Public Hearing item may speak for up to three minutes each.
3. Persons wishing to attend virtually must preregister at pinellascounty.org/comment by 5 p. m. the day before the meeting.

Appeals

Persons are advised that, if they decided to appeal any decision made at this meeting/hearing, they will need a record of the proceeding, and, for such purposes, they may need to ensure that a verbatim record of the proceeding is made, which includes the testimony and evidence upon which the appeal is to be based.

If a Board meeting beginning at 9:30 A.M. has not concluded by noon, a recess will be taken from noon to 12:30 P.M., and the remainder of the meeting will continue at 12:30 P.M.

If a Board meeting beginning at 2:00 P.M. has not concluded by 5:30 P.M., a recess will be taken from 5:30 to 6:00 P.M. The remainder of the afternoon agenda will resume at 6:00 P.M., followed by Public Hearings.
