**AMENDMENT OF COUNTYWIDE PLAN**

This letter is to notify you of an upcoming public hearing that concerns property for which you have been identified as the owner, representative, or other party of interest. The Pinellas County government has requested changes to land use regulations that may affect the permitted density, intensity, and/or types of land uses available should your property annex into the City of Largo in the future. You do not need to attend the public hearing, but may do so if you wish. The date, time and location of the public hearing, as well as details of the proposed changes, are listed in the attached Notice of Public Hearing.

The purpose of the amendment is to allow property owners annexing into the City of Largo to benefit from the increased densities and intensities of the City's adopted Tri-City Special Area Plan. The permitted density, intensity or permitted uses applicable to your property will not change unless, and until, you choose to annex into Largo. More information about the Tri-City Special Area Plan is available at [https://www.largo.com/connect/living in largo/permits and planning/us 19 sap/index.php](https://www.largo.com/connect/living%20in%20largo/permits%20and%20planning/us%2019%20sap/index.php).

## PUBLIC HEARING PROCEDURES

Public Hearings before Forward Pinellas, in its role as the Pinellas Planning Council (PPC), are governed by PPC Resolution No. 96-2 which is outlined on the reverse side.

Because this process encourages and provides for testimony to be submitted in writing in advance of the hearing, the following guidelines are expected to be sufficient to accommodate efficient presentations:

- The applicant should complete their presentation in ten (10) minutes.
- Persons who have been authorized to represent an organization or group of five (5) or more persons should limit their presentation to ten (10) minutes. It is expected that others in the organization or group will waive their time.
- All other persons may speak up to a total of three (3) minutes each.

The procedure provides that, at the conclusion of each of the respective presentations by staff, Planners Advisory Committee (PAC), applicant local government, proponents, opponents and other citizens, an affected party may seek the Chair's permission to ask questions or seek clarification from the respective presenter.

The applicant's rebuttal shall only address testimony subsequent to their presentation. Only points of law or fact will be entertained by the Chair following rebuttal.

Please see reverse side for order of presentation.

The proposed Multimodal Corridor category is intended to recognize those corridors of critical importance to the movement of people and goods throughout the county and that are served by multiple modes of transport, including automobile, bus, bicycle, rail, and/or pedestrian. **AN ORDINANCE AMENDING THE COUNTYWIDE PLAN MAP OF PINELLAS COUNTY, FLORIDA, BY ACTION ON CASE NUMBER CW 21-07 INITIATED BY PINELLAS COUNTY AND TRANSMITTED TO THE BOARD OF COUNTY COMMISSIONERS IN ITS CAPACITY AS THE COUNTYWIDE PLANNING AUTHORITY IN ACCORDANCE WITH THE SPECIAL ACT; PROVIDING FOR AMENDMENT TO THE PLAN; PROVIDING FOR SEVERABILITY; PROVIDING FOR FILING OF THE ORDINANCE; AND PROVIDING FOR AN EFFECTIVE DATE.**

The proposed Countywide Plan Map amendment (shown in Map 2) is to recognize long-term planning for the unincorporated parcels in the City of Largo's Tri-City Special Area Plan implementation area. Should the parcels be annexed into the City of Largo, their local land use designations will be as set forth in the City's Tri-City Special Area Plan. Unless and until such annexation occurs, there will be no changes to the locally administered density, intensity, or permitted uses for the parcels. Annexation must be initiated by the property owner and will not be triggered by this Countywide Plan Map amendment.

The City's Tri-City Special Area Plan sets forth the basis for the amendment of the Countywide Plan Map to the proposed Activity Center and Multimodal Corridor categories. The Special Area Plan addresses the purpose and intent of each category, permitted uses and their respective densities and intensities, as well as urban design guidelines, all of which will be implemented through the City's land development code for any parcels annexed into the City. For more information about the Tri-City Special Area Plan, please visit [https://www.largo.com/connect/living\\_in\\_largo/permits\\_and\\_planning/us\\_19\\_sap/index.php](https://www.largo.com/connect/living_in_largo/permits_and_planning/us_19_sap/index.php).

The proposed Activity Center category is used to recognize those areas of the county that have been identified and planned for in a special and detailed manner, serve as identifiable centers of business, public, and residential activity that are the focal point of a community, and are served by enhanced transit commensurate with the type, scale, and intensity of use. The proposed Multimodal Corridor category is intended to recognize those corridors of critical importance to the movement of people and goods throughout the county and that are served by multiple modes of transport, including

automobile, bus, bicycle, rail, and/or pedestrian. This category is intended to include those transportation corridors connecting Activity Centers, characterized by mixed-use development, and in particular, supported by and designed to facilitate transit.
