

EAST LAKE COMMUNITY LIBRARY MSTU FUNDING REQUEST – FY'22

TITLE OF PROJECT: OUTDOOR ALUMINUM STORAGE SHED

SUMMARY OF EXPENSES

<u>Item</u>	<u>Qty.</u>	<u>Vendor</u>	<u>Unit Price</u>	<u>Description</u>	<u>Total Price</u>
12' X 30' Bungalow Style Aluminum Shed	1	Wally Watt, Inc. St. Petersburg, FL	\$14,070	Includes extras, permitting, delivery, & install	\$14,070* *Price increases may occur due to materials costs increases
Demolition & Removal of Existing Wood Sheds	1	Done Rite Hauling St. Petersburg, FL	\$2,950	Includes teardown, haul away, and disposal fees.	\$2,950
Shed Organization System	Multiple units	Home Depot, Lowe's, etc.	\$480	Includes shelving units, tubs, etc. to organize contents.	\$480
Electrical Connections to shed	1	Duke Energy/Fuller electric	??	Connecting underground conduit from electrical pole to sheds – includes permitting.	Waiting for Duke Energy engineer to meet with Fuller Electrical onsite for estimated costs of project. (see copy of email string) Total estimate - \$2,500? (Library will pay balance from reserves, if necessary).
Electrical Components	Multiple	Fuller Electric Home Depot Lowe's	??	Interior outlets, light switch, lighting, fan, window A/C unit + outdoor post with 2 GFCI outlets	
				TOTAL COST:	\$20,000
				TOTAL REQUEST:	\$20,000

***This shed will take an estimated 6-8 months to receive after ordering; there was recently a 20% increase due to materials (reflected in the price) but this may occur again in the ensuing months. The proposals from other vendors were not accepted because 1) Tuff Shed did not make an aluminum shed; 2) The Shed Store was more expensive and did not handle permitting (please note that the quote was for a smaller shed – 12' x 24').**

Respectfully submitted...Lois Eannel, Library Director
