Good afternoon David.

This agreement is standardized with language that is boilerplate and we cannot remove or modify the indemnification provision.

Marcia- by County Resolution No. 06-70, the County does not indemnify other parties in most situations. Please advise if FDOT will modify Paragraphs 15 b and c of the agreement so that each party is responsible for their own acts of negligence? Thanks.

Dave

Good morning.

Attached is the draft agreement for construction and construction engineering inspection (CEI) services of the Starkey Rd corridor sidewalk from SR 688/Ulmerton Rd to East Bay Dr project. After your review is complete and if you have no comments, please move forward with having the agreement executed.

Please return a pdf copy of the partially executed agreement to me by **April 20, 2022**.

Thank you and have a great day!
