Re: FY2023 Budget Request

Dear Mr. Ondrovic and Mr. Rose,

Accompanying this letter please find a copy of our proposed budget for the Feather Sound Community Services District (FSCSD) for FY2023.

The revenue should assist in covering operating expenses which include maintenance for capital improvements made in prior years, utilities, and administrative costs, and allow the District to save for future projects.

We request funding of \$235,000 for the 2022-2023 fiscal budget period in four installments of \$58,750 each in February, April, June and August of 2023.

Should you have any questions regarding, please contact me at kpchambers@gmail.com. Thank you.

Sincerely,

Kevin Chambers
Treasurer, Feather Sound Community Services District
