## COUNTY ADMINISTRATOR DEPARTMENTS

Airport

16. [22-0814A](#) Grant application for federal assistance submission to the Federal Aviation Administration for the design of new taxiways at the St. Pete-Clearwater International Airport.

**Recommendation:** Approval of the grant application for federal assistance to develop the plans and specifications for new taxiways at the St. Pete-Clearwater International Airport (PIE).

\* Currently, there is no connectivity from PIE's airfield to the Airco parcel located adjacent to PIE.

\* To provide that connectivity, two new taxiways need to be constructed between PIE and Airco in order for aeronautical tenants to begin development.

\* This project consists of the development of the plans and specifications for the construction of Taxiways "D" and "G3".

\* This document is PIE's annual Federal Aviation Administration (FAA) grant that consists of PIE's passenger entitlements, which is usually approximately \$4M. The rest of the unused entitlements are rolled over to Fiscal Year 2023.

\* This grant pays for 90% of the design costs, while PIE pays for 5% and Florida Department of Transportation (FDOT) pays for 5%.

\* PIE is requesting \$637,672.00 from the FAA. FDOT will pay \$35,426.00 and PIE will pay \$35,426.00. The total cost is \$708,524.00.

17. [22-0804A](#) Resolution authorizing continuation of a \$4.50 Passenger Facility Charge at the St. Pete-Clearwater International Airport.

In addition, obtain Chairman's signature on the PFC Application when the FAA indicates the application is substantially complete.

\* The total PFC revenue to be collected in the new application, through February 1, 2024, is \$6.45M. Funding supports projects such as the construction of two new taxiways to serve Airco; a new wildlife hazard assessment and wildlife hazard management plan update; a new environmental study to investigate how climate change affects the stabilization of our Tampa Bay shoreline; and replacement of portions of our perimeter fencing to keep wildlife out.

\* The FAA's PFC program allows the collection of PFC fees up to \$4.50 for every enplaned passenger at commercial service airports to fund FAA approved projects that enhance safety, security, or capacity.

\* Submitting a new PFC application will ensure that PIE can continue imposing a \$4.50 PFC on each enplanement and can continue collection to fund FAA eligible improvements to PIE's terminal and airfield.

**Public Hearing Procedures**

The procedure used by the Board in conducting Public Hearings is to have a staff presentation followed by the applicant presenting the specific proposal. The Board will then hear comments from the proponents, the opponents and a staff summary. The applicant will then be given an opportunity to close and the Board will decide on the matter. Public Hearings before the Board are governed by the provisions of Section 134 -14 of the Pinellas County Land Development Code as may be modified by Pinellas County Emergency Order. That code provides that at the conclusion of each person's presentation, any speaker may seek the Chairman's permission to ask questions of staff.

Specifically:

1. At the conclusion of the presentations by the applicant and any proponents, all affected parties may seek the Chairman's permission to ask questions of or seek clarification from the applicant and/or the proponents.
2. At the conclusion of the presentation by the opponents, all affected parties may seek the Chairman's permission to ask questions of or seek clarification from any opponent.

The applicant's closing comments will address testimony subsequent to his or her presentation. Continuing rebuttal of other than directly preceding testimony will not be allowed. Because much testimony has already been submitted in writing, the following guidelines accommodate efficient presentations:

1. The applicant should present his or her entire case, including rebuttal, in no more than 20 minutes.
2. Persons wishing to speak regarding a Public Hearing item may speak for up to three minutes each.
3. Persons wishing to attend virtually must preregister at [pinellascounty.org/comment](http://pinellascounty.org/comment) by 5 p. m. the day before the meeting.
