Re: Bid Tabulation Summary and Recommendation
FPID 256774-2-56-01 and 256774-3-56-01 Pinellas County Utilities Relocation

Dear Mr. Simpson:

Wade Trim has reviewed the bid forms received for the U.S. 19 FDOT Relocation Projects from North of S.R. 580 to Northside Drive and from Northside Drive to C.R. 95. The low bidder, Johnson Brothers Corporation, a Southland Company, provided the following Bid Price for each project:

<u>Project</u>	<u>Component Bid Total (Excluding Contingency)</u>
FPID 256774-2-56-01 U.S. 19 North of S.R. 580 to Northside Drive	\$9,168,843.00
FPID 256774-3-56-01 U.S. 19 Northside Drive to C.R. 95	\$8,755,889.00
Total	\$17,924,732.00

Bid Tabulation Review

Wade Trim checked the math for all bids received and found no errors. The Engineer's Opinion of Probable Cost provided the following values for each project, before contingency:

<u>Project</u>	<u>Dated</u>	<u>Bid Total</u>
FPID 256774-2-56-01 U.S. 19 North of S.R. 580 to Northside Drive	4/5/2022	\$7,570,755.00
FPID 256774-3-56-01 U.S. 19 Northside Drive to C.R. 95	1/31/2022	\$5,710,443.00
Total		\$13,281,198.00

The difference between the engineer's estimate and the provided low bidder total for the project components is 26%.

Recommendation

Per review of the provided low bidder bid summary for each project, Wade Trim recommends awarding the project to the low bidder.

Very truly yours,

Wade Trim, Inc.

Timothy R. Palmer, P.E.
Project Manager
