ROLL CALL - 2:02 P.M.

Present: 6 - Chairman Charlie Justice, Vice-Chair Janet C. Long, Rene Flowers, Pat Gerard, Kathleen Peters, and Karen Williams Seel

Absent: 1 - Dave Eggers

Others Present: Barry A. Burton, County Administrator; Amanda Coffey, Managing Assistant County Attorney; Derelynn Revie, Board Records Manager; and Sarah Rathke, Board Reporter, Deputy Clerk

INVOCATION by Pastor Bill Losasso, New Path Community Church, St. Petersburg.**PLEDGE OF ALLEGIANCE****PRESENTATIONS AND AWARDS**

1. National Mosquito Control Awareness Week Proclamation:
Public Works
 - Chris Bolin, Mosquito Control Technician
 - Matt Laverdure, Crew Chief 1
 - Alissa Berro, Mosquito Control Section Manager

Chairman Justice invited Ms. Berro and her staff to the podium and read a proclamation recognizing June 19 through 25, 2022 as National Mosquito Control Awareness Week. He urged citizens to contact the department with any service needs; whereupon, Ms. Berro recognized the aforementioned staff members and expressed appreciation for the proclamation.

2. Independence Day Proclamation
Chairman Justice invited Second Vice President of the Sons of the American Revolution - Clearwater Chapter Harry Fuller to the podium and read a proclamation recognizing July 4, 2022 as Independence Day. Mr. Fuller thanked the members for their continued support.
3. Partner Presentation:
David Green, Executive Director, Tampa Bay Area Regional Transit Authority (TBARTA)

Referring to a PowerPoint presentation, Mr. Green provided information regarding the Authority, including funding and operating expenses, partnerships, challenges, and priorities, and noted that TBARTA is important for regional collaboration and solving transit issues for the benefit of local agencies and county residents. He thanked the members for their continued support since the inception of TBARTA.

In response to queries and concerns by Commissioner Long, Mr. Green related that the lack of local funding and regional cooperation has been the biggest challenge; that local funding is needed in order to obtain state and federal funding to implement services and projects. Commissioner Long related that U.S. Department of Transportation Secretary Pete Buttigieg recently encouraged local governments to submit suggestions on how to shorten the process of obtaining federal transportation funding.

Responding to a query by Commissioner Seel, Mr. Green indicated that TBARTA has been approved the past three years for State funding for the agency's operations, only for it to be vetoed by the Governor's Office; and that budget concerns will be addressed at TBARTA's July meeting.

Pinellas County Community Redevelopment Agency

29. Agreements with Habitat for Humanity of Pinellas County, Inc. and Rebuilding Together Tampa Bay, Inc. for the Lealman Community Redevelopment Area Housing Programs. (Companion to Item No. 30)

(Contract No. 22-0058-LI) Sitting as the Community Redevelopment Agency, the Board approved the agreements with Habitat for Humanity of Pinellas County, Inc. to administer the Housing Investment Program and with Rebuilding Together Tampa Bay, Inc. to administer the Housing Rehabilitation Program, with specifications for each program set forth in the Staff Report. Agreements are for three-year terms, with a total combined funding of up to \$3,650,000.00. The two agencies approved represent the only submittals following a Letter of Intent procurement process.

Responding to queries by the members, Assistant to the County Administrator Chris Moore, with input by Assistant County Administrator Tom Almonte, provided the following information:

- Based upon scope of work for each home, it is anticipated that approximately 35 homes will be rehabilitated under the Housing Rehabilitation Program, with an allowance of up to \$50,000 per property.
- Construction of approximately 35 single-family homes is anticipated through the Housing Investment Program, which will provide a subsidy of up to \$55,000 per

property. Properties with liens or which are severely blighted have been identified as part of this Program, and negotiations can occur with homeowners related to liens on their properties.

A motion was made by Commissioner Flowers, seconded by Vice-Chair Long, that the item be approved. The motion carried by the following vote:

PUBLIC HEARINGS

BOARD OF COUNTY COMMISSIONERS

37. Resolution revising the Solid Waste Tipping Fee for Fiscal Years 2023, 2024, and 2025.

Resolution No. 22-48 adopted approving revised fees for disposal of approved solid waste at the Solid Waste Disposal Facilities. No correspondence has been received. No citizens appeared to be heard.

A motion was made by Vice-Chair Long, seconded by Commissioner Gerard, that the item be approved. The motion carried by the following vote:

Aye: 6 - Chairman Justice, Vice-Chair Long, Commissioner Flowers, Commissioner Gerard, Commissioner Peters, and Commissioner Seel

Absent: 1 - Commissioner Eggers

38. Ordinance amending Chapter 42 of the Pinellas County Code adopting a Tenants Bill of Rights requiring the provision of information renters' rights under federal, state, and local law, prohibiting discrimination based on source of income, and requiring notice of late fees. Hearing continued until July 19, 2022. Twenty-three emails in opposition were received.

Chairman Justice indicated that 40 emails in favor of the proposed ordinance were received at the BCC Office.

Housing and Community Development Director Carol Stricklin conducted a PowerPoint titled *Tenant Bill of Rights, Source of Income Anti-Discrimination and Notice of Late Fees Ordinance* and explained that the purpose of the proposed ordinance is to reduce evictions and

homelessness by providing protection to residential tenants in Pinellas County; that during the preparation of the ordinance, there was significant engagement with stakeholders such as the Bay Area Apartment Association, the Homeless Leadership Alliance, affected housing authorities, and municipalities; and that the ordinance mirrors provisions included in Hillsborough County; whereupon, she discussed the following major stipulations and most recent modifications in the ordinance:

- Elucidating the non-applicability to short-term rentals
- Requiring that prior to the commencement of a rental term, tenants must receive a notice of rights approved by the County Administrator that identifies protections available to them under federal, state, and local law
- Expansion of the County anti-discrimination code relating to prohibiting discrimination based upon public assistance
- Clarifying that repairs by landlords based on inspections are not a requirement under the purposes of the ordinance, but a requirement by the Housing Choice Voucher Program
- Establishing standards relating to the timing of inspections
- Obligating landlords to inform tenants at the time a late fee has been imposed

During discussion, Ms. Stricklin provided clarifying comments and indicated that the standard timeframe of 10 business days for inspections is recommended based on input from the Pinellas County Housing Authority and the St. Petersburg Housing Authority. She noted that St. Petersburg's tenants' rights ordinance has a provision related to insurance requirements that is not present in the proposed ordinance; that the provision states that there is no obligation to accept vouchers if doing so would increase the cost of insurance for a policy that has been in place for a year; and that her Department requests an opportunity to conduct additional research if the members wish to include such a provision in the Countywide ordinance. Thereupon, the members expressed their concerns with the clause and voiced their support for staff to review it.

Ms. Stricklin related that the proposed ordinance also differs from St. Petersburg's ordinance by providing that landlords cannot discriminate against potential tenants based upon lawful sources of income such as public assistance; whereupon, in response to queries by the members, Mr. Burton, with input from Ms. Stricklin, clarified that while the proposed ordinance has anti-discrimination provisions to protect tenants using vouchers, landlords may disqualify potential tenants if they do not have sufficient income to pay utilities and other living expenses, and Attorney Coffey concurred.

Ms. Stricklin conveyed that Code Enforcement and Consumer Protection Departments are authorized to enforce the proposed ordinance, violation of which is punishable by a fine of

\$500 for a first offense and each subsequent offense; that there are two versions of the proposed ordinance, one for the unincorporated areas and one applicable Countywide; and that while City Managers had mixed reactions to the proposed ordinance, their overall feedback reflected a preference for a consistent Countywide approach. She noted that cities will have the option to adopt their own tenants' rights ordinance or opt out if they choose; and that if the ordinance passes with Countywide applicability, the intent would be to form an implementation team to handle public education, respond to any complaints, and conduct public education outreach when the ordinance goes into effect on October 3.

Responding to queries by the members, Ms. Stricklin indicated that the St. Petersburg tenants' rights ordinance would continue to be in effect if the Board approved the Countywide approach; that with the Board's approval, her Department is prepared to mirror a rent increase provision that St. Petersburg is working on; and that while some City Managers were willing to have their cities be included in the Countywide ordinance, others preferred the option of having their council make a decision to opt in. Thereupon, Attorney Coffey related that staff is recommending replacing the word 'landlord' with 'person' in the proposed ordinance and adding a definition of 'person' to clarify that it could include a condominium association or a rental group.

In response to a query by Commissioner Long, Ms. Stricklin, with input from Mr. Burton, explained that staff would ensure that municipalities are informed if the proposed ordinance is approved by the Board; that there will be sufficient time for cities to opt out of the ordinance before it would go into effect on October 3; and that while it does not mention rent increases, staff may bring a related provision back to the Board at a future date.

Upon call by the Chairman for public comment, the following individuals expressed their support and/or concerns:

Eric Garduno, Tampa, representing Bay Area Apartment Association
Margaret Rushing, St. Petersburg
William Kilgore, St. Petersburg
Nick Carey, St. Petersburg
Karla Correa, St. Petersburg
Amy Foster, St. Petersburg
Elisa Galvan, representing Pinellas County Housing Authority
Nancy Roden, St. Petersburg

During public comment, the following individuals responded to queries by the members regarding the following and other topics:

- Mr. Garduno provided additional information regarding increases in insurance premiums for landlords due to vouchers, as well as concerns regarding the 3-day notification of late fees and rent increase provisions in the proposed ordinance.
- Ms. Foster noted that landlords are apprehensive to accept potential tenants who may have challenges paying rent in light of the pandemic-era eviction moratorium and

discussed exponential increases in rent for individuals who receive rent assistance from social service agencies.

- Ms. Galvan discussed the Pinellas County Housing Authority's efforts to assist tenants in paying their rent, time limits for vouchers, and what happens to those who cannot secure housing while their voucher is active.

In response to queries and concerns by the members, Ms. Stricklin clarified the proposed ordinance clause pertaining to utilizing an income standard in assessing rental eligibility; whereupon, a motion was made by Commissioner Long, seconded by Commissioner Flowers, that the proposed ordinance be approved.

During discussion, Commissioners Seel and Peters expressed their concerns, indicating that the proposed ordinance is unfinished due to outstanding concerns; and that the County could have adopted the St. Petersburg's tenant ordinance. Commissioner Seel cited her desire for increased cooperation between the County and municipalities to ensure the tenant rights countywide uniformity. Responding to a concern by Commissioner Gerard, Mr. Burton remarked that the County is looking into a notice provision for rent control, and Attorney Coffey noted that rent control is preempted by the State and limited to one year.

Commissioner Long proposed amending her motion to allow staff time to revise the ordinance, meet with municipalities, and return to the Board within 30 to 45 days, and Mr. Burton and Attorney Coffey provided input.

Commissioner Long amended her original motion to include replacing and adding certain verbiage to the ordinance as recommended by Attorney Coffey, and Commissioner Flowers seconded the amended motion. Ms. Stricklin noted that staff is not recommending the inclusion of insurance-related language in the ordinance due to concerns regarding enforceability and discriminatory practices; and that staff recommends reviewing the provision further.

Responding to a query by Commissioner Flowers, Ms. Stricklin related that staff chose for the ordinance to go into effect 90 days following adoption to allow for the implementation of measures to be put in place and to allow cities to opt out if they choose. Commissioner Flowers proposed continuing the item to allow staff time to conduct additional research as requested by the members and for the item to return within 30 to 45 days, and Commissioner Long rescinded her motion.

A motion was made by Commissioner Flowers, seconded by Commissioner Peters, that the item be continued to a future BCC meeting. The motion carried by the following vote:

Aye: 6 - Chairman Justice, Vice-Chair Long, Commissioner Flowers, Commissioner Gerard, Commissioner Peters, and Commissioner Seel

Absent: 1 - Commissioner Eggers

Mr. Burton indicated that staff will look into the property insurance and sources of income issues as requested by the members. Following discussion regarding the scheduling of the ordinance for a future Board meeting, Attorney Coffey noted that the item would need to be re-noticed. Chairman Justice requested that staff provide a side-by-side comparison of the St. Petersburg ordinance and the proposed ordinance when the item returns to the Board and remarked that it would occur as soon as possible under noticing and guidelines.

39. Case No. FLU-22-01 (Northridge SP, LLC)

A request for a change of Land Use from Residential Medium to Residential High on approximately 4.3 acres located at 6464 54th Avenue North in west Lealman.

Ordinance No. 22-21 adopted approving the land use change. The Local Planning Agency recommended approval of the request, and staff concurred. No correspondence has been received.

Long Range Planning Manager Scott Swearngen referred to a PowerPoint presentation containing maps and photographs of the area, pointed out the location of the subject property, described the surrounding land uses, and discussed potential traffic impacts of the land use change. He noted that the existing use of the property is multifamily residential apartment buildings; that the proposed use is approximately 22 to 30 additional multifamily units; that staff finds the proposed land use change to be compatible with surrounding uses and the Pinellas County Comprehensive Plan; and that the Development Review Committee, the Local Planning Agency (LPA), and staff recommend approval.

In response to a query by Chairman Justice, Mr. Swearngen explained that there are currently 59 existing dwelling units on the property; that the applicant desires to add one multifamily building of 25 to 30 dwelling units; and that the proposed use would result in a total of approximately 89 dwelling units with a density of about 21 units per acre.

Upon the Chairman's call for the applicant, Todd Pressman, St. Petersburg, appeared and noted that there has been no correspondence with regard to the application; and that both staff and the LPA support the land use change.

Later in the meeting, Commissioner Long requested that the record reflect she voted to approve the item, which was initially voted on in her absence.

A motion was made by Commissioner Gerard, seconded by Commissioner Flowers, that the item be approved. The motion carried by the following vote:

42. Ordinance adopting a new Pinellas County Comprehensive Plan to be known as PLANPinellas; providing for a new Vision Element, the update and replacement of each Element and the associated Future Land Use Category Descriptions and Rules, as per State Statute requirements.

First public hearing held. Staff authorized to transmit the proposed ordinance to the Florida Department of Economic Opportunity for agency review. The Local Planning Agency recommended approval of the plan. One email stating concerns has been received. No citizens appeared to be heard.

Mr. Burton noted that staff incorporated previously-discussed recommendations from the Board into the Plan; that because this is the first of two public hearings, the Board's action would be to transmit it to the State for approval; and that following the State's approval, the Plan will return to the Board for a second public hearing and potential adoption.

A motion was made by Commissioner Flowers, seconded by Vice-Chair Long, that the item be transmitted to the State for review. The motion carried by the following vote:

Aye: 6 - Chairman Justice, Vice-Chair Long, Commissioner Flowers, Commissioner Gerard, Commissioner Peters, and Commissioner Seel

Absent: 1 - Commissioner Eggers

- 43. Ordinance amending Appendix A, the Ten-Year Water Supply Facility Plan, of the potable water supply, wastewater, and reuse element of the Pinellas County Comprehensive Plan. (second public hearing)
