Connecting people to tangible opportunities, creating meeting agendas, providing ongoing administrative support and executing special projects before deadline is just a snapshot of the rapport I've developed over the course of my professional career. I am applying for this board vacancy because I am ready to take my service to the residents of Pinellas county to the next level. I'm a graduate of the University of South Florida and a fourth-generation St. Petersburg native, which means I have a firm grip of the local issues & government structure. I have developed a consistent work ethic that would be highly beneficial in this volunteer position. I have served in various capacities on a myriad of board throughout the both the city & county. These roles have allotted me an opportunity to build countless networks with various political, business & civic leaders from both sides of the aisle. I have served as a Neighborhood Association President and as an active member of the Council of Neighborhood Associations, so I am well-aware of the issues plaguing our city streets and I have the necessary skill-set needed to address those issues. My degree in Communications will certainly be a bonus for me in this role. I bring with me 10 years of experience in grassroots community service & outreach.
