Jesus came to restore the Kingdom of God amongst a depraved, Corrupt and immoral society. Therefore, Kingdom Solutions must be implemented to galvanize amass catastrophic destruction worldwide. since Solutions are at the forefront of every circumstance, we must attain our place in that kingdom for triumphant victory. This is the victory that overcomes the world, even our faith.

The foundations for a healthy Saint Petersburg remains at the cusp of radical Socio economic reform. Next generation, cohorts of the Faith, ushering in a new dispensation; the Digital Age. Categorically Disrupting Systems that influence thoughts and behavior patterns that undermine the Authority of the Scriptures to establish a righteousness of their own. I am taking you in to possess the land, says the Lord, to establish divine order and to make my name great upon the earth. I am alpha omega, creator of the universe, is there anything too hard for me to do? eyes has not seen, nor Ears have heard, nor enter into the Hearts of men, What great things that God has in store for those that love and obey Him.

Starting at the household of faith, streamline policies and practices that has four centuries oppressed indigenous outcasts of African dissent, The largest ethnic religious population in the world, The African diaspora, The Abrahamic covenant, as the sand on the sea, The chosen people of God. you shall recover all that the dark past Has stolen Oh, weakened The continent of Africa and divided a nation. The lucrative slave economy seared The conscience of an America, Home of the free; Condoning dehumanizing animal servitude and without restraint, little regard for human life. Reparation, 40 acres and a mule, hangs in the balance, as Faith in the marketplace to redeem the cultural influence abandoned by the church.

In 1959, the Saint Petersburg Science, Technology and Innovation Center formally Pinellas County Science Center, Trailblazed next generation thought into futuristic Technologies alignment with ecological ecosystems on the cutting edge of smart city innovation. as a prodigy of this remarkable legacy, the unprecedented Disruptive Innovation Chamber of eCommerce, affiliated Faith Based Organizations of America, Community Marketplace network and commodity Exchange. A Qualified Opportunity Zone configuration incubating New business start ups, Business expansion

, Business rescue resiliency liquidity . Using an informed educated consumer based business model, knowledge Based Transformational Leaders, industry experts, meticulously mentor passionate visionaries in the spirit of excellence, build character, capacity, discipline and digital literacy competencies to become exceptionally valuable, solving problems in disinvested neighborhoods that no one else can. A workforce development consolidation strategy that align with regional economic development reform in compliance with the WAIOA, EAPA, IJJ a, DEA, SPEM opportunity, justice 40 initiative, White House COUNCIL ON Opportunity and Community revitalization; Qualified Opportunity Jones, and the Faith Based Opportunity Initiative leverages rerouting tax payer revenue allocated to redundant, obsolete and obstructive Government programs that no longer contribute to a higher quality of life; to indigenous outcasts of African

dissent, the indigent , In the form of a collateralized paycheck. this mission driven , Experiential teaching and learning instructional system design essentially would empower constituents to be self sufficient, establish effective criteria for success in the marketplace, Prove the potential of the indigent as bona fide contributing members of society, minimize out of control government spending, disrupt traditional educational, vocational and rehabilitative technologies by engaging limitless self directed teaching and learning strategies, rapid Credentialing programs, invest in superior digital literacy competencies for the entire family, establish wealth building strategies as a NCUA out sourced CDFI, streamline policies and practices that impede potential and sustain poverty to eradicate the injustice; perversion, corruption, immorality, dissension permeating the seven mountains of influence; education, politics and governance, arts and entertainment, business and finance, the media, faith based community, and The family which is the bedrock of society.

The emergence of qualified opportunity zone, Anthony Bowen YMCA vision Rehabilitation Centers featuring: Assistive Solutions LLC, a non-emergency medical transport and rideshare company, exclusive med tech and personal digital concierge. The shift in the demands In the marketplace online positions vulnerable populations, those of different abilities, those temporarily incapacitated, to be self-sufficient; body, mind and soul, a holistic approach toward divine health. The hand held device, cell phone becomes a medical device challenging Policymakers to comply with The signature Obama Care for informed prognosis for absolute autonomy. The distinguished app, assistive Solutions, providing mobility and lifestyle solutions for optimum health and wellness end entrepreneurial opportunities to serve your community as agents of change; dominating the transportation disadvantage programs that lack that personal touch. Isn't that what a shared economy allude to?

The Urban Technology Institute, UT I, a designated digital disruption engine with the capacity to streamline policies and practices, offer solutions to enduring problems that has plagued our nation for centuries, and implement instructional system design strategies that would influence others to take the lead; discover and maximize their potential, gifts, talents, abilities, in the spirit of excellence, serve and protect their communities as citizens of a democratic regime with Almighty God as King in a Kingdom that will never end. Respectfully submitted, Angela Taylor Sweet, Policy Analyst, ISD, MEd, Educational practitioner, last day prophet to the nation. The United States of America, a republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.
