Mr. Cannon,

With the possible expansion of the golf cart area in downtown Palm Harbor, I am requesting that an investigation be done on the eligibility for Westlake Village to become a golf cart friendly community. If Westlake Village is eligible for this process, please send all the information on the requirements needed to our office at the email listed above. If you have any questions regarding Westlake Village please feel free to reach out to Bruce Zeit our Maintenance Chairperson at Westlakebrucez@gmail.com or to Jennifer Connerty our management company representative at jconnerty@greenacre.com or 813-600-1100.

Thank you for all your assistance with this process.

Karri Partain
President, Westlake Village HOA
