**County Transportation Trust**  
**Summary of Resources and Requirements**

The County Transportation Trust Fund is required by Florida Statute 336.022 to account for revenues and expenditures used for the operation and maintenance of transportation facilities and associated drainage infrastructure. Activities include road and right of way maintenance (e.g., patching, mowing); bridge maintenance and operation; traffic engineering; traffic signal operation, including Intelligent Transportation Systems; traffic control signage and striping; sidewalk repair and construction; and maintenance of ditches, culverts, and other drainage facilities. Major revenues to support these activities are provided from fuel taxes collected and distributed by the State of Florida, and local option fuel taxes levied by the County.

## Community Development Grant

### Summary of Resources and Requirements

Community Development Grant - to account for revenues received from the Federal Department of Housing and Urban Development's (HUD) Block Grant Program to develop viable communities by providing decent housing, a suitable living environment and expanding economic opportunities for low- and moderate-income persons as authorized by Title 24 of the Code of Federal Regulations. HUD determines the amount of each grant by using a formula comprised of several measures of community need, including the extent of poverty, population, housing overcrowding, age of housing, and population growth lag in relationship to other metropolitan areas. Public hearings are held to engage stakeholders and the public regarding the community's needs which help determine the specific use of funds. The fund may receive supplemental support from the General Fund, and the Housing and Community Development Department administers the fund.

## Emergency Communications E911 System

### Summary of Resources and Requirements

The Emergency Communications E911 System Fund (previously titled Emergency Phone Service & Equipment Fund) is used to account for revenues received from the monthly charge assessed on land based telephone lines and wireless communication services. This service charge was adopted at \$0.50 per month by the Legislature in 1999 and became effective October 1, 1999. In 2007, legislation was adopted to account for the wireless and wireline service fees, collected and distributed by the E911 Board in one fund. The State Legislature reduced the monthly service charge to \$0.40 effective January 1, 2015 and extended collection to include pre-paid wireless service. Legislation also changed the distribution formula of wireline fees from \$0.49 to \$0.38, and wireless fees from \$0.36 to \$0.30 (on contracted wireless services). The distribution on pre-paid wireless service is \$0.24. This fund is administered by the Safety and Emergency Services Department - Regional 911 Division.

**Tourist Development Tax Fund**  
**Summary of Resources and Requirements**

The Tourist Development Tax Fund, formerly known as the Tourist Development Council Fund through September 30, 2017, accounts for the 6.0% tourist development tax (i.e., bed tax) on rents collected for temporary lodgings. This tax was initially approved by a voter referendum in 1978 as a 2.0% tax to promote tourism in Pinellas County. Over the years, the tax rate has been raised to help fund beach renourishment projects, contribute to tourist related capital projects throughout the county, and to give additional promotions, marketing, and advertising resources to the Pinellas County Convention and Visitors Bureau. The tax rate was raised to the current level on January 1, 2016.

**Construction Licensing Board**  
**Summary of Resources and Requirements**

The Construction Licensing Board Fund is used to account for the revenues and expenses associated with regulation of the construction and home improvement industry in Pinellas County, through uniform contractor competency licensing, code adoption, and code interpretations. In 2018, the State Legislature amended the Laws of Florida to make the formerly independent Pinellas County Construction Licensing Board (PCCLB) a dependent agency to the Board of County Commissioners (BCC). Staffing and operations became a responsibility of the Contractor Licensing Department, under the County Administrator as of July 1, 2018. The fund continues to be supported by revenue from licensing fees, fines, and citations.

**Lealman Community Redevelopment Agency Trust**  
**Summary of Resources and Requirements**

Pinellas County Community Redevelopment Agency accounts for Tax Increment Financing (TIF) used to leverage public funds to promote private sector activity in the Lealman Community Redevelopment Area (CRA) district. The Pinellas County Board of County Commissioners (BCC) declared the Lealman Study Area of the County to be a slum or blighted area ("Lealman Community Redevelopment Area"). By its Resolution No. 16-40 on June 7, 2016, the BCC approved the Lealman Community Redevelopment Area Plan. As this district is in the County's unincorporated area, the General Fund contributes TIF resources based on both the Countywide and the Municipal Service Taxing Unit (MSTU) property tax collections. The County's obligation to annually appropriate to the fund shall continue until June 7, 2046. The creation of the CRA district is enabled by the Community Redevelopment Act of 1969 as amended and codified as Part III Chapter 163 Florida Statutes (the "Redevelopment Act").

## Solid Waste Revenue & Operating Summary of Resources and Requirements

The Solid Waste Revenue and Operating Fund is used to account for revenues generated by Pinellas County's Waste-to-Energy facilities. The three main sources of revenue are: tipping fees charged for the disposal of refuse, proceeds from the sale of electricity generated by the facility to Duke Energy, and monies generated from the sale of recycled metals. The fund accounts for the expenses associated with operating and maintaining the facilities. This fund also accounts for any grant proceeds which may be received for the various recycling programs administered by the County.
