CITY OF SAFETY HARBOR COMMUNITY REDEVELOPMENT AGENCY

FY 21/22 Annual Report

PURPOSE

Pursuant to Section 163.356(3)(C) of Florida Statutes, the City of Safety Harbor Community Redevelopment Agency is required to:

...file with the governing body, on or before March 31 of each year, a report of its activities for the preceding fiscal year, which report shall include a complete financial statement setting forth its assets, liabilities, income and operating expenses as of the end of such fiscal year. At the time of the filing the report, the agency shall publish in a newspaper of general circulation in the community a notice to the effect that such report has been filed with the municipality and that the report is available for inspection during business hours in the office of the clerk of the city and in the office of the agency.

The purpose of this Annual Report is to satisfy the requirements of Section 163.356(3)(C) and to provide the public with useful information concerning the Community Redevelopment Area and Agency.

INTRODUCTION

The City's Community Redevelopment Agency (CRA) was created in 1992 to plan, promote, and carry-out downtown revitalization projects and initiatives targeted at removing real and perceived barriers to community redevelopment. Each year, the CRA produces an Annual Report of its activities for the preceding fiscal year to document its progress in achieving the goals, objectives and action strategies set forth in the adopted Community Redevelopment Plan. The CRA continues to focus on fixing the basics and making the downtown a better version of what it already is – a walkable town center framed by traditional neighborhoods. The CRA's strategic investments in infrastructure, public facilities and matching grants for private improvements have generated positive momentum in business and real estate activity that have made the downtown a more vital and vibrant activity center within Pinellas county.

In 2009, the City Commission approved an updated Downtown Master Plan that broadened the scope of community redevelopment efforts to include a 48-acre expansion area. The Master Plan was later adopted into the City's Comprehensive Plan as the Special Area Plan to the Community Redevelopment District. The City's Comprehensive Zoning and Land Development Code has been updated to incorporate new standards and regulations that will ensure historical development patterns remain intact while providing necessary flexibility to accommodate desired infill and redevelopment.

The CRA will continue its track record of success by building upon existing assets, proactively facilitating private sector initiatives that align with community goals, sponsoring special events and marketing the downtown as a unique destination place in the region.

Safety Harbor Community Redevelopment Area

FINANCIAL STATEMENT

The City of Safety Harbor Community Redevelopment Agency Fiscal Year 21-22 Annual Report covers all activities from October 1, 2021 to September 30, 2022. As required by Florida Statute 163.356(c), the report includes a draft financial statement of the CRA's assets, liabilities, income and operating expenses, amount of tax increment funds collected, and a record of CRA activities for the fiscal year.

City Resolution 92-26 created the City of Safety Harbor Community Redevelopment Agency. This Resolution declares that the five (5) members of the City Commission shall constitute the Community Redevelopment Agency. Pinellas County, a charter county, delegated the powers and authority to the City by County Resolution 92-152. The City Manager acts as the Executive Director and the City Attorney provides the Agency with legal counsel.

City Ordinance 92-24 and County Ordinance 92-60 established the Redevelopment Trust Fund. The Tax Increment Finance District covers properties inside the Original CRA (approximately 108-acres). At this time, there are no plans to establish a tax increment finance district for the expansion area. The CRA is solely funded through tax increment finance revenues. The ad valorem millage rate for FY 2022 was 3.9500.

Capital projects and other operating expenses related to the downtown funded by the City of Safety Harbor are detailed in the Comprehensive Annual Financial Report for the City.

2023 CRA BOARD

Mayor Joe Ayoub
Vice Mayor Commissioner Andy Steingold
Commissioner Nancy Besore
Commissioner Carlos Diaz
Commissioner Cliff Merz

FY 22-23 BUDGET

COMMUNITY REDEVELOPMENT AGENCY

In 1992, the City of Safety Harbor established a Community Redevelopment Agency (CRA) to guide the implementation of the Safety Harbor Downtown Master Plan. Since its creation, the CRA has been successful in improving the physical and economic conditions of the district through strategic investments in public facilities and infrastructure and by providing matching grants to encourage the redevelopment, rehabilitation, and reuse of vacant and underutilized buildings. The CRA uses Tax Increment Financing (TIF) as its primary method of funding community redevelopment projects and initiatives.

Current and Prior Year Accomplishments (FY 21-22)

Implementation of the Downtown Master Plan is motivated by the City's desire to achieve its vision of becoming a vibrant destination city with a unique quality of life – a City is successful in balancing responsible, innovative growth with careful preservation of its small town atmosphere, its quaint character, and its valued treasures. According to the Citizen Survey performed in tandem with the visioning process, the majority of residents feel that the City, in addition to ensuring public safety and protecting the environment, should concentrate its redevelopment efforts on: (1) addressing traffic safety and parking issues; (2) bringing in more dining and retail stores Downtown, (3) encouraging compatible economic development and diversification of the tax base; and (4) addressing the availability of affordable housing.

In FY 21-22, the following projects were funded by the Community Redevelopment Agency (CRA):

Enhance Natural Environment

· LED lighting for library and other city buildings

Arts, Preservation, Culture and Environment

- Marina Pier dedication signage
- Historical marker signage
- Holiday light installation
- Design for the 4,600 square foot second floor addition to the library.

Public Realm

- Brick intersection reconstruction for Main Street and 4th Avenue.
- Streetscape enhancements.

Economic Development

 The CRA approved \$15,793 in downtown partnership grants in two cycles. Non-residential grants were approved for Ice Barr, Clearvue and Harbor Oaks Office Park. Residential grants were approved Eric Smith. Grant categories included residential front porch, interior renovation, landscaping and fence.

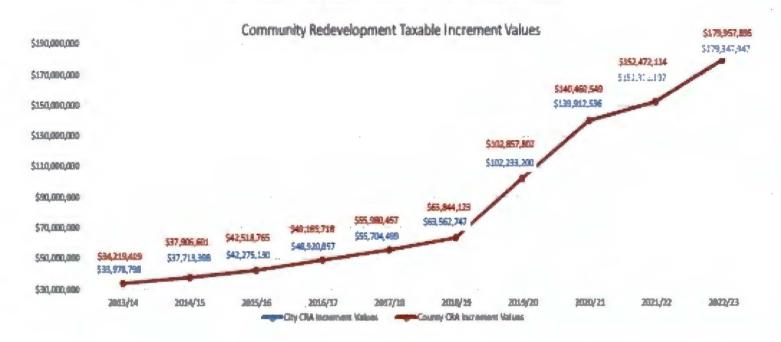

Land Acquisition

CRA funds were used to pay debt associated with the Waterfront Park and Baranoff Oak Park land purchases.

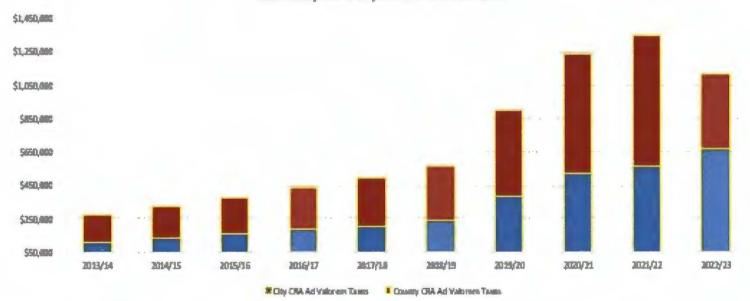

Fiscal Year 2022-2023 Goals

Goals for FY 2023-23 goals include construction of the library addition, public art installation at Waterfront Park, a Downtown Master Plan update, and continuation of the Downtown Partnership Grant and Public Art programs. CRA funds will be used to pay debt associated with the Waterfront Park and Baranoff Oak Park land purchases.

REPORTING REQUIREMENTS

Section 163.371 of Florida Statues requires the city prepare an annual report each year by March 31st. A list of the required information and responses to each question are provided below:

(a) The most recent complete audit report of the redevelopment trust fund as required in s. 163.387(8). If the audit report for the previous year is not available by March 31, a community redevelopment agency shall publish the audit report on its website within 45 days after completion.

The FY 21-22 audit was not available at time of publishing of this repot and will be added to the city's website.

- (b) The performance data for each plan authorized, administered, or overseen by the community redevelopment agency as of December 31 of the reporting year, including the:
- 1. Total number of projects started and completed and the estimated cost for each project.

A CRA budget summary is included starting on page 9 of this report.

2. Total expenditures from the redevelopment trust fund.

A CRA budget summary is included starting on page 9 of this report.

3. Original assessed real property values within the community redevelopment agency's area of authority as of the day the agency was created.

\$ 31,944,080

4. Total assessed real property values of property within the boundaries of the community redevelopment agency as of January 1 of the reporting year.

\$ 183.855.277

5. Total amount expended for affordable housing for low-income and middle-income residents.

\$0.00

(c) A summary indicating to what extent, if any, the community redevelopment agency has achieved the goals set out in its community redevelopment plan.

Implementation of the Downtown Master Plan is motivated by the desire by the City to achieve its vision of becoming a vibrant destination city with a unique quality of life – a city successful in balancing responsible, innovative growth with careful preservation of its small town atmosphere, its quaint character, and its valued treasures. According to the citizen survey performed in tandem with the visioning process, the majority of residents feel that the City, in addition to ensuring public safety and protecting the environment, should concentrate its redevelopment efforts on: (1) addressing traffic safety and parking issues; (2) bringing in more dining and retail stores Downtown, (3) encouraging compatible economic development and diversification of the tax base; and (4) addressing the availability of affordable housing.

Projects that were implemented in fiscal year 2021-2022 are noted below:

Main Street Brick Reconstruction

Design and construction for the brick intersection at Main Street and 4rd Avenue occurred during this fiscal year. Construction was completed in May of 2022.

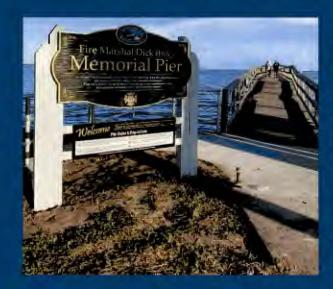

Safety Harbor Library Expansion

This fiscal year, work continued on the design of the library expansion to add second floor meeting rooms and 1st floor lighting upgrades. Permitting is in progress. Below is a rendering of the proposed addition.

Safety Harbor Public Art, Signage, and Streetscaping

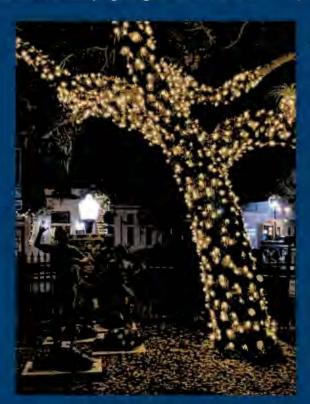

The City of Safety Harbor contributed funding to the Nationwide Arts Economic Impact Study through the Americans for the Arts. The City of Safety Harbor CRA funded an art installation in Waterfront Park. This fiscal year, designs were submitted and reviewed by an Arts Conservator. A sign was funded by the CRA to commemorate the renaming of the pier to the "Fire Marshall Dick Brock Memorial Pier". The trash receptacles along Main Street were replaced to a "two receptacle" model to provide additional capacity.

Downtown Holiday Lighting

Numerous holiday lighting installations were completed during the holiday season.

Downtown Partnership Grants

The Downtown Partnership Grant program is funded by the Community Redevelopment Agency. Two residential matching grants and three non-residential matching grants were awarded totaling \$26,379. Grant categories included front porch, landscaping, fence, and commercial interior renovation projects within downtown.

The Brinehouse Restaurant Interior Renovation (Before and After)

Baranoff Park

The Baranoff Oak is considered the oldest live oak in Pinellas County and is estimated to be 300+ years old. On March 1, 2019, the City of Safety Harbor purchased the land beneath and surrounding the Baranoff Oak. CRA funds were used to pay debt service back to the general fund for the purchase of the property and to create a passive park including seating, public art, a perimeter wall, and landscaping.

Waterfront Park

The CRA continued to pay debt to the general fund for the purchase of Waterfront Park.

City Vision:

"Safety Harbor will be a vibrant destination city with a unique quality of life – a city that is successful balancing responsible, innovative growth with careful preservation of its small-town atmosphere, its quaint character, and its valued treasures."
