RE: 3000 Bough Ave Unit D  
Eastwood Shores Condo No 4  
Phase 2

Greetings,

I have received the 2023 Notice of Proposed Property taxes and Proposed Assessments. I am unable to be at the public hearing scheduled for September 7<sup>th</sup> but wanted to express my opposition to the proposed budget. While I understand the difficult economic environment we all find ourselves in, my real estate taxes have increase every single year since I purchased my property in 2014. At some point the raises need to stabilize otherwise it will not be sustainable for the owners. Since 2016 my taxes have increased 60%.

Please carefully consider the economic situation of the owners before adopting yet another set of increases.

Thanks for your time in this matter.

Sincerely,

Carrie M. Shustack

Your Stand on the Issue Oppose

Comments I would like to voice my opinion on raising taxes in Pinellas County Florida. I will be out of town for the 9/7/23 public hearing. As a Pinellas County resident, and Tax Payer; I would like to speak my voice on the tax rate increase proposal. The cost increase of basically EVERYTHING the last 2 years is breaking the backs of our hardworking citizens. With gas prices and grocery prices at an all time high, not to mention the utility bills (DUKE ENERGY) sky rocketing. The Insurance (vehicle and personal property) has doubled. However the rate of pay has no way kept up with these increases. I hereby VOTE NO TAX INCREASE!
