FDLE Application #:

Third-P	arty Name:						
Third-Party Subaward ID:							
Total S	ubaward Amount:	Grant Funded Am	ount:				
This document should be used for agreements that are determined to be a <u>subrecipient</u> relationship based on the OCJG Subrecipient Contractor Determination Checklist. Entities passing funds through to a "subrecipient" must ensure compliance with 2 CFR §200.332 – <i>Passthrough entity requirements</i> .							
Failure to address or provide documentation of compliance with the appropriate requirements as listed below may result in a withholding of funds condition being placed on the award. This type of condition will prevent the review and approval of any reimbursement requests, ultimately delaying payment.							
Part I: 1	Third-Party Review						
1.	Does the third-party have a UEI number?  If no, contract is not eligible for reimbursement with federa until a UEI number is obtained.	al funds	Yes	No			
2.	Does the third-party have an active SAM.gov registration?  Documentation of your search must be maintained for monitoring.  If no, contract is not eligible for reimbursement with federa until an active SAM.gov registration is obtained.	r	Yes	No
