RE: State Funded Grant Agreement- CIGP
SR 590/Drew St. from Ft Harrison Rd to US19/SR55
FPN: 448511 1 34 01 Contract Number: G2F76

Dear Mr. Burton:

The Florida Department of Transportation (FDOT) and Pinellas County entered into a State Funded Grant Agreement (SFGA) on December 21, 2022, under the County Incentive Program (CIGP) for the design activities of the SR 590/Drew St. from Ft Harrison Rd to US 19/SR55 project.

Both parties have mutually agreed to terminate the Agreement in accordance with Section 5 of the SFGA. It has been agreed upon that the County will reapply for the funding once the project is rescoped to identify the ATMS devices necessary for installation to complete the ATMS improvements along the SR 590/Drew St corridor. The current agreement will be terminated effective September 22, 2023 (date of signature). Please sign and return a pdf copy to Marcia Haines, Local Programs Coordinator, marcia.haines@dot.state.fl.us

We look forward to working with the County on other projects. If you have any further questions, please contact Marcia Haines by email or call 813-975-6134.

Sincerely,
DocuSigned by:
