If a dispute should arise as a result of non. payment of a payment request or invoice the following Dispute Resolution process will apply:

The notice will indicate what steps the vendor should undertake to correct the invoice and resubmit a proper invoice to the COUNTY. Such steps should include requiring the vendor to contact the requesting department to validate the invoice and receive a sign off from that entity that would indicate that the invoice in question is in compliance with the terms and conditions of the Agreement, and then resubmitting the invoice as a "Corrected Invoice" to the requesting department to initiate the payment timeline.
 - A. Requesting department for this purpose is defined as the COUNTY department for which the work is performed or to which goods are provided.
 - B. Proper invoice for this purpose is defined as an invoice submitted for work performed that meets prior agreed upon terms or conditions to the satisfaction of Pinellas COUNTY.
