### Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

The Department of Administrative Services' (DAS) Facilities and Real Property Division (FRP) has supplied a list of assets that departments, constitutional offices, and other elected officials determined had exhausted their usefulness. These assets will either be donated to governmental entities, non-profit agencies, or the Social Action Funding List designees or liquidated through public auction.

The total fiscal impact is unknown at this time due to the final sale being done via an auction. Following the public auction, FRP will have a total for the unanticipated revenue. The revenue generated from the public auction is not budgeted for in FY24 and will be distributed to the fund that owned the sold asset.
