Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is for adoption of the Resolution for the Surface Water Assessment within the Unincorporated areas of Pinellas County. This Resolution overrides previous Resolution No. 17-63 which set a maximum annual increase of 3% for Surface Water Assessment not to exceed $128.66 per Equivalent Residential Unit (ERU). Resolution proposes a 7% rate increase in FY26 and up to 5% annually thereafter, not to exceed $179.11 (projected rate FY32). Annual Surface Water Service Assessment rate would be $133.65 per ERU in FY26. County would receive $22,900,000.00 from the Surface Water Assessment in FY26.

Funding for this resolution is included in the FY26 budget of the Public Works Surface Water Utility Fund.
