PUBLIC LIBRARY COOPERATIVE

FY17 Budget Request

Public Library Cooperative Budget History

The Public Library Cooperative (PLC) is primarily supported by a dedicated property tax levy, currently at 0.5 mills. The payment to the PLC supports administrative expenses (historically approximately 5%) and payments to the 14 member libraries. The payments are intended to provide funding support in recognition of the services provided by the member libraries to unincorporated residents who are assessed the PLC millage. Distribution of funds among the member libraries is based on a formula reflected in the interlocal agreement that leverages a combination of local support (90%) and non-resident circulation (10%). There are no significant changes anticipated for the PLC budget in FY17. In reviewing the chart above, note that the decrease in property tax revenues and payments to the PLC in FY14 was primarily due to the exclusion of the newly established East Lake Library Services District.

PINELLAS PUBLIC LIBRARY COOPERATIVE

The Public Library Cooperative (PLC) serves eligible residents of Pinellas County and its member public libraries. The Cooperative serves these groups through the management of county, state and federal funds for library development and by facilitating the sharing of materials and resources among its members. The Cooperative is funded by a millage levy in a portion of the unincorporated areas of the county and per capita dues paid by the participating municipalities without libraries. The maximum millage rate that can be levied is 0.5 mills.

Program Descriptions		Budget Request	FTEs

Strategic Plan Fiscal Years 2016-2020

PPLC Strategic Plan Fiscal Years 2016-2020

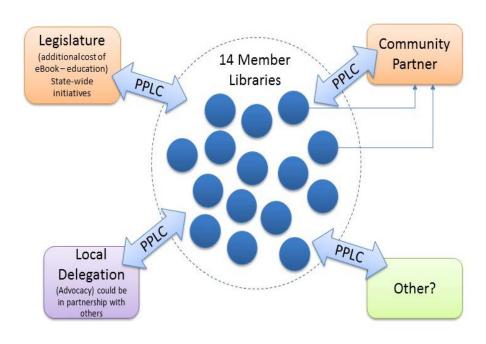

Vision: PPLC connects communities.

Mission: PPLC facilitates a common library experience across the county while preserving the unique attributes of individual libraries.

PPLC Background: The Pinellas Public Library Cooperative is a non-profit organization that facilitates cooperation, collaboration, and sharing of resources, programs, services, and expertise among its member libraries. PPLC was the first Library Cooperative formed in the state of Florida, and was founded in 1989 through an Interlocal Agreement between the Board of County Commissioners (BCC) and Municipalities with Public Libraries that are members of the PPLC. The purpose of forming the cooperative was to extend public library services to the unincorporated areas of Pinellas County and to municipalities that do not have library services. PPLC receives and disburses funds, maintains a shared library automation system, maintains a shared materials delivery system, and facilitates collective purchasing for cost savings. In 1992, PPLC established the Pinellas Talking Book Library to provide library services to the blind and physically handicapped. The Deaf Literacy Center was incorporated into the cooperative in 2001, to serve the emerging deaf community. PPLC facilitates community partnerships, builds relationships, markets library services, and advocates for local, state, and federal financial support of library services to improve the lives of Pinellas County residents.

Goals:

- 1. <u>Partnerships:</u> Develop mutually beneficial partnerships.
- 2. Advocacy: Develop and communicate an annual legislative agenda.
- 3. <u>Funding:</u> Seek all types of funding sources (e.g., local, state and federal; private).
- 4. <u>Marketing:</u> Develop an annual marketing plan that would encompass national, state and other campaigns.
- 5. <u>Centralization/Resource Sharing</u>: Facilitate centralized services and resource sharing.
