

# CONSTRUCTION LICENSING BOARD

FY17 Budget Request

Budget History

The Construction Licensing Board is funded by revenues from licensing fees, administrative fines and citations that are apart from the County and does not receive any property tax support. For FY17, revenues are estimated as follows: \$712,500 for the construction licensing fees, \$285,000 for citations, \$190,000 for fines and \$3,720 in interest and miscellaneous revenues. FY17 expenditures are increasing by \$146,660, or 10.9%, related to inflation and increased cost allocation charges. Revenues and accumulated reserves will fully support this increase.
