State Attorney FY17 Budget Request

State Attorney Budget History

The State Attorneys Budget is supported by multiple funding sources including a two dollar documentary recording fee and general fund tax revenue. The portion of the budget related to County support reflects a \$8,520 (3.3%) increase over FY16. Revenue from document recording fees and general fund tax support are estimated to be \$177,930 and \$86,580 respectively. **The State Attorney Technology program is assumed to be funded by Article V revenues and does not have a target.** Article V of the State Constitution requires counties to provide funding for all reasonable and necessary technology and communications functions for the Judiciary, State Attorney and Public Defender. Funding is partially supported by Court Fees.
