SPECIAL TERM(s) OF AWARD:

DOMA:

On June 26, 2013, in *United States v. Windsor*, the Supreme Court held that section 3 of the Defense of Marriage Act (DOMA), which prohibited federal recognition of same-sex spouses/marriages, was unconstitutional. As a result of that decision, SAMHSA is no longer prohibited from recognizing same sex marriages. Consistent with HHS policy and the purposes of SAMHSA programs, same-sex spouses/marriages are to be recognized in the SAMHSA CABHI program. This means that, as a recipient of SAMHSA CABHI funding, you are required to treat as valid the marriages of same-sex couples whose marriage was legal when entered into. This applies regardless of whether the couple now lives in a jurisdiction that recognizes same-sex marriage or a jurisdiction that does not recognize same-sex marriage. Any same-sex marriage legally entered into in one of the 50 states, the District of Columbia, a U.S. territory or a foreign country will be recognized. However, this does not apply to registered domestic partnerships, civil unions or similar formal relationships recognized under state law as something other than a marriage.

You must submit an electronic copy of a disparity impact statement to the Government Project Officer (GPO) and Grants Management Specialist (GMS) as identified under Contacts on this notice of award. 2. A quality improvement plan for how you will use your program (GPRA) data on access, use and outcomes to monitor and manage program outcomes by race, ethnicity and LGBT status, when possible. The quality improvement plan should include strategies for how processes and/or programmatic adjustments will support efforts to reduce disparities for the identified sub-populations.
3. The quality improvement plan should include methods for the development and implementation of policies and procedures to ensure adherence to the Enhanced Culturally and Linguistically Appropriate Services (CLAS) Standards and the provision of effective care and services that are responsive to:
