**WHEREAS**, Chapter 166, Article VI of the Pinellas County Land Development Code (the "Code") authorizes the Board of County Commissioners (the "Board") of Pinellas County, Florida (the "County") to impose Surface Water Service Assessments and Surface Water Fees against real property benefited by the County's Surface Water Management Services; and

**WHEREAS**, the reimposition of Surface Water Service Assessments and Surface Water Fees is an equitable and efficient method of allocating and apportioning the cost of the County's Surface Water Management Services among parcels of property that are benefited thereby; and

**WHEREAS**, the Board has entered into agreement with the Property Appraiser and Tax Collector pursuant to Section 197.3632(2) of the Florida Statutes, relating to the uniform method for the levy, collection, and enforcement of non-ad valorem assessments for the collection of Surface Water Assessments, as provided in Section 166-561 of the Code; and

**WHEREAS**, the Board adopted Resolution No. 16-42, the FY 2016-2017 Preliminary Surface Water Rate Resolution, geographically identifying the area within which the County provides Surface Water Management Services and those properties to be benefited by the County's Surface Water Management Services (the "Surface Water Service Area"), describing the method of assigning

ERUs and apportioning the cost of the Surface Water Management Services (the "Surface Water Service Cost") against Developed Property located within the Surface Water Service Area, directing the preparation of the tentative Surface Water Rolls, and directing the provision of the notices required by Sections 166-503 and 166-504 of the Code; and

**WHEREAS**, a public hearing has been duly held on September 14, 2016 and comments and objections of all interested persons have been heard and considered as required by the Section 166-506 of the Code.

**NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PINELLAS COUNTY, FLORIDA:**

**SECTION 1. RECITALS.** The above recitals are true and correct and are hereby incorporated herein by reference.

**SECTION 2. AUTHORITY.** This Resolution is adopted pursuant to the provisions of Chapter 166, Article VI of the Code; the Initial Surface Water Rate Resolution (Resolution No.13-60); the Final Surface Water Rate Resolution (Resolution No. 13-136); the FY 2016-2017 Preliminary Surface Water Rate Resolution (Resolution No. 16-42); the Pinellas County Charter; Article VIII, Section 1(g) of the Florida Constitution; Section 125.01 of the Florida Statutes; and other applicable provisions of law.

**SECTION 3. DEFINITIONS.**

(A) This Resolution is the FY 2016-2017 Annual Surface Water Rate Resolution for the imposition of Surface Water Service Assessments and Surface Water Fees.

(B) Unless otherwise defined below, all capitalized terms in this Resolution shall have the meanings defined in the Code, the Initial Surface Water Rate Resolution, the Final Surface Water Rate Resolution, and the FY 2016-2017 Preliminary Surface Water Rate Resolution.

**SECTION 4. CONFIRMATION OF PRELIMINARY SURFACE WATER RATE RESOLUTION.** The FY 2016-2017 Preliminary Surface Water Rate Resolution is hereby confirmed.

**SECTION 5. APPROVAL OF SURFACE WATER ROLLS.** The updated Surface Water Rolls, copies of which were present or available at the public hearing and on file in the office of the Surface Water Utility Coordinator, are incorporated herein by reference and hereby approved. The foregoing shall not be construed to require that the Surface Water Rolls be in printed form if the amount of the Surface Water Service Assessment or Surface Water Fee for each Parcel is available on compatible electronic medium and can be determined by use of an available computer terminal.

## **SECTION 6. SURFACE WATER SERVICE ASSESSMENTS AND FEES.**

(A) The Parcels of Developed Property described in the Surface Water Rolls are hereby found to be benefited by the County's Surface Water Management Services in the amount of the Surface Water Service Assessment or Surface Water Fee set forth in the applicable Surface Water Roll. Adoption of this FY 2016-2017 Annual Surface Water Rate Resolution constitutes a legislative determination that all Parcels charged derive a benefit from the Surface Water Management Services to be provided.

(B) Adoption of this FY 2016-2017 Annual Surface Water Rate Resolution also constitutes a legislative determination that the Surface Water Service Assessments and Surface Water Fees are fairly and reasonably apportioned among the Developed Properties that receive the benefit from the Surface Water Management Services and are consistent with the legislative declarations, determinations and findings set forth in the Code, the Initial Surface Water Rate Resolution, the Final Surface Water Rate Resolution, the FY 2016-2017 Preliminary Surface Water Rate Resolution, and this 2016-2017 Annual Surface Water Rate Resolution.

(C) The method for computing the Surface Water Service Assessments and Surface Water Fees and the assignment of ERUs described in the FY 2016-2017 Preliminary Surface Water Rate Resolution is hereby approved.

(D) For the Fiscal Year beginning October 1, 2016, the estimated Surface Water Service Cost, excluding collection costs, is \$20.9 million. The Surface Water Service Assessments and Surface Water Fees to be charged to all benefited parcels pursuant to the methodology set forth in the Initial Surface Water Rate Resolution, as that methodology was amended by the FY 2016-2017 Preliminary Surface Water Rate Resolution, will be computed for each Parcel of Developed Property

located within the Surface Water Service Area by multiplying the number of Net ERUs attributable thereto by the rate of \$117.74 per Net ERU.

(E) The above rate per Net ERU is hereby approved. Surface Water Service Assessments and Surface Water Fees for the provision of Surface Water Management Services in the amounts set forth in the Surface Water Rolls, as herein approved, are hereby levied and imposed on all Parcels described in the Surface Water Rolls for the Fiscal Year beginning October 1, 2016.

(F) The Surface Water Service Assessments shall constitute a lien upon the Parcels so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid. The lien for Surface Water Service Assessments shall be deemed perfected upon adoption by the Board of this FY 2016-2017 Annual Surface Water Rate Resolution. Upon perfection, the lien for Surface Water Service Assessments shall attach to the property included on the roll as of the prior January 1, the lien date for ad valorem taxes.

#### **SECTION 7. COLLECTION OF SURFACE WATER SERVICE ASSESSMENTS.**

(A) The Surface Water Service Assessments shall be collected pursuant to the Uniform Assessment Collection Act established in Section 197.3632 of the Florida Statutes and as provided in Section 166-561 of the Code. Under the Uniform Assessment Collection Act, the Surface Water Roll is subject to all collection provisions of Chapter 197 of the Florida Statutes, and shall be included on the annual Notice of Proposed Property Taxes (TRIM) and Tax Bill for each tax year—which in this case runs from January 1 through December 31, 2016. Notwithstanding the above, this FY 2016-2017 Annual Surface Water Rate Resolution reflects anticipated budget needs for the 2016-2017 Fiscal Year, which runs from October 1, 2016 through September 30, 2017. Thus, the assessments authorized by this FY 2016-2017 Annual Surface Water Rate Resolution shall be collected on the

2016 Tax Bill. The Surface Water Utility Coordinator is hereby authorized and directed to certify and deliver or cause the certification and delivery of the Surface Water Roll for the Surface Water Service Assessments to the Tax Collector by September 15, 2016. The Surface Water Roll for the Surface Water Service Assessments, as delivered to the Tax Collector, shall be accompanied by a Certificate to Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix D.

(B) The Surface Water Fees imposed against Government Property shall be billed, collected, and enforced pursuant to the alternative method of collection described in Section 166-564 of the Code and Section 10 of the FY 2016-2017 Preliminary Surface Water Rate Resolution. The Board hereby directs the Surface Water Utility Coordinator to mail said bills no later than November 1, 2016 in substantially the form attached hereto as Appendix C.

**SECTION 8. EFFECT OF ADOPTION OF RESOLUTION.** The adoption of this FY 2016-2017 Annual Surface Water Rate Resolution shall be the final adjudication of the issues presented herein (including, but not limited to, the apportionment methodology, the rate of the fee for service to Government Property, the rate of assessment, the adoption of the updated Surface Water Rolls and the levy and lien of the Surface Water Charges), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the date of adoption of this FY 2016-2017 Annual Surface Water Resolution.

**NOTICE OF HEARING TO IMPOSE  
AND PROVIDE FOR COLLECTION OF  
NON-AD VALOREM ASSESSMENTS  
AND FEES**

The U. S. Environmental Protection Agency through the National Pollution Discharge Elimination System Stormwater permitting program implemented by the Florida Department of Environmental Protection has mandated Pinellas County to implement and fund a comprehensive surface water management program. A new and dedicated funding source was established by the County in 2013 to assist in funding this effort. Accordingly, the Pinellas County Board of County Commissioners (the "Board") will conduct a public hearing to consider the continued imposition of Surface Water Service Assessments against non-Government Property and Surface Water Fees against Government Property in the unincorporated area of the County, as shown above.

The hearing will be held at 6:00 p.m., or as soon thereafter as the item can be heard, on **Wednesday, September 14, 2016**, in the County Commission Assembly Room at 315 Court Street, Fifth Floor, Clearwater, Florida 33756. In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the Office of Human Rights, 400 South Fort Harrison Avenue, Suite 500, Clearwater, Florida 33756, at (727) 464-4062 at least 48 hours prior to the date of the hearing. Persons that are hearing impaired should call the Florida Relay Service Numbers, 1-800-955-8771 (TDD) or 1-800-955-8770 (Voice), for assistance. All affected property owners have a right to appear at the hearing and to file written objections with the County. All written objections to the non-ad valorem assessments and fees must be filed with the Board within twenty (20) days of this notice. Please include your name, parcel number, and the reason you object to the assessment on all written objections. Address all written objections as follows: Surface Water Assessment Fee, Pinellas County Board of County Commissioners, 315 Court Street, Fifth Floor, Clearwater, Florida 33756. Any person wishing to appeal any decision of the Board with respect to any matter considered will need a record of the proceedings and may wish to ensure that a verbatim record of the proceedings is made.

The Surface Water Service Assessments and Surface Water Fees will fund the County's cost to provide Surface Water Management Services in the unincorporated areas of the County. The Surface Water Service Assessments and Surface Water Fees are based upon the estimated amount of stormwater runoff generated by impervious surface on the property. Impervious surfaces include the roof top, patios, driveways, parking lots and similar areas. The County has determined that the median single-family residence in the Surface Water Service Area includes 2,339 square feet of impervious surface, which is defined as the "equivalent residential unit value" or "ERU Value." The annual Surface Water Service Assessment rate for the upcoming Fiscal Year and future fiscal years will be \$120.45 for each Net ERU. The annual Surface Water Fee rate for the upcoming Fiscal Year and future fiscal years will be \$120.45 for each Net ERU on Government Property.

Generally, the number of ERUs were calculated individually for each parcel of property by dividing the impervious surface area by 2,339 square feet. If a property owner applies and qualifies, credits for privately maintained stormwater management facilities and other factors affecting the quantity or quality of stormwater runoff will be applied, resulting in an assignment of Net ERUs. A more specific description of the Surface Water Service Assessments and Surface Water Fees is set forth in the Initial Surface Water Rate Resolution (Resolution No. 13-60), the Final Surface Water Rate Resolution (Resolution No. 13-136), and the FY17 Preliminary Surface Water Rate Resolution (Resolution No. 16-42). Copies of these resolutions and the updated stormwater rolls are available for inspection at the Pinellas County Board Records Department, 315 Court Street, Fifth Floor, Clearwater, Florida 33756. Additional information about the Surface Water Service Assessment and Surface Water Fees is available at [www.pinellascounty.org](http://www.pinellascounty.org).

The Surface Water Service Assessment will be collected by the Tax Collector of Pinellas County, pursuant to Chapter 197, Florida Statutes, on the tax bill to be mailed in November 2016. Failure to pay the Surface Water Service Assessment will cause a tax certificate to be issued against the assessed property, which may result in a loss of title to your property. The Surface Water Fees will be collected by separate bills to be sent by the County to Government Property.

If you have any questions regarding the number of ERUs assigned to your property or the amount of the Surface Water Fee, please contact Environmental Management by telephone at (727) 464-8759.
