Hi Brendan,

The District is not agreeable to removing or altering the indemnification provision in the referenced cooperative funding agreement. The District includes this standard indemnification provision in all of our cooperative funding agreements and it is a condition to receiving grant funding from the District.

Happy Thanksgiving to you too!

Hi Mary Beth and Erica – Happy Thanksgiving !

The Pinellas County Attorney's Office is currently reviewing a CFA between SWFWMD and the County: "CFA Between SWFWMD and Pinellas County for Anclote River Watershed Management Plan (N803)." Section 10 (page 8) of the CFA obligates the County to indemnify SWFWMD under certain circumstances.

As outlined in County Resolution 06-70, the County does not indemnify other parties under most circumstances. If County indemnification must be provided in the CFA, the County requests that the language provided in Section III of County Resolution 06-70 be used. Please confirm whether SWFWMD will delete the current indemnification language or alter it accordingly. For your reference, the CFA and Resolution 06-70 are attached.
