

Doing Things!

Development Review Services

February 23, 2017

Who We Are

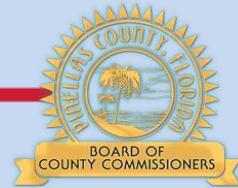

44 FTE, 2% of County Administrator workforce

- Development Review Service (DRS)
 - Engineering
 - Environmental
 - Zoning / Permits
- Code Enforcement

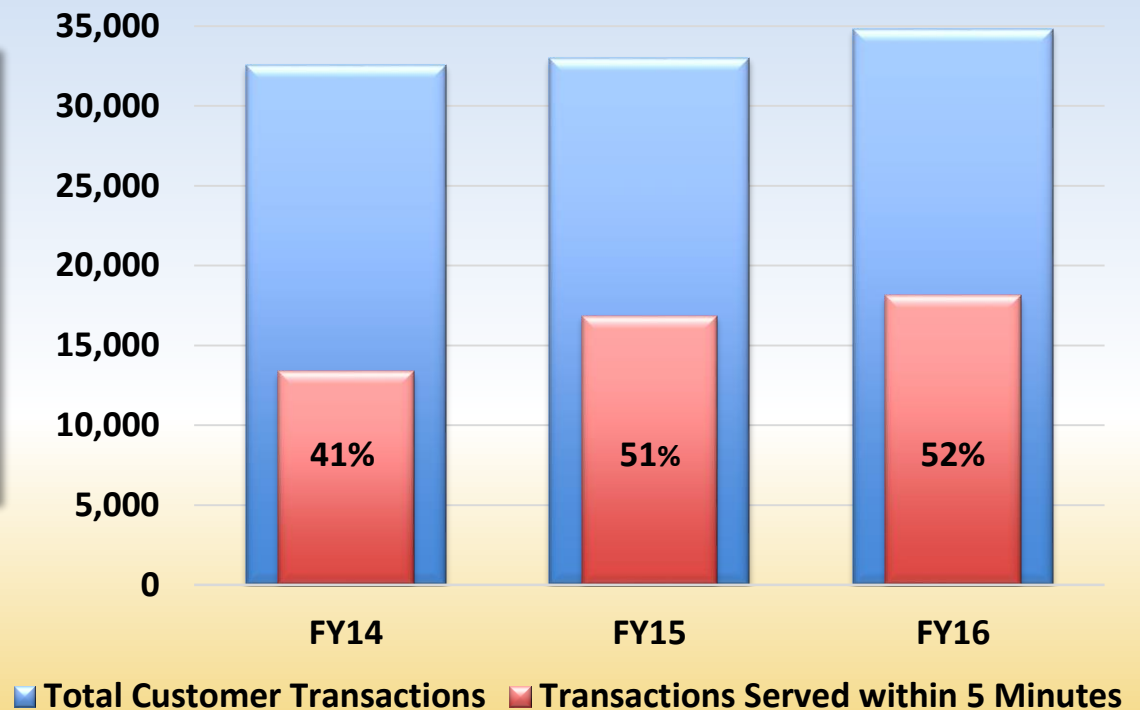

A photograph showing a residential landscape. In the foreground is a large, green grassy lawn. In the middle ground, there is a small, shallow pond or wetland area with tall, brownish reeds. A concrete rectangular structure is partially submerged in the water. To the left of the pond, a small green sign is visible. In the background, there are several houses with light-colored roofs and walls, surrounded by trees. The sky is clear and blue.
