**WHEREAS**, the Surtax does not apply to certain groceries, medical products and supplies, and other specifically identified goods and services listed in Section 212.08, Florida Statutes, and unlike transactions subject to the state sales tax, applies only to the first \$5,000.00 of the purchase price of an item of taxable personal property; and

**WHEREAS**, the Surtax may be used to finance, plan and construct infrastructure in accordance with Section 212.055(2)(d), Florida Statutes; acquire land for public recreation, conservation or protection of natural resources; acquire land for the purpose of constructing residential housing units affordable to individuals or families whose

income does not exceed certain statutorily defined income thresholds; and no more than 15% may be deposited into a trust fund for funding economic development projects having a general purpose of improving the local economy; and

**WHEREAS**, in 1989, the Board found and determined that a great need existed within Pinellas County to finance, plan and construct county and municipal infrastructure projects, and the levy of the Surtax for an initial ten (10) year period through January 31, 2000, was approved by a majority of those voting on the question at a referendum; and

**WHEREAS**, in 1997, based on a continuing need, the Board approved a ten (10) year extension of the levy of the Surtax through January 31, 2010, which was approved by a majority of those voting on the question at a referendum; and

**WHEREAS**, in 2007, based on a continuing need, the Board approved an additional ten (10) year extension of the levy of the Surtax, which was approved by a majority of those voting on the question at a referendum; and

**WHEREAS**, pursuant to the request of the Florida Department of Revenue, that extension period was adjusted to begin on January 1, 2010, in order to comply with the requirements of Section 212.054(5), Florida Statutes, and end on December 31, 2019; and

**WHEREAS**, the Board finds there continues to exist a great need on the part of Pinellas County and the municipalities within Pinellas County to fund infrastructure projects authorized by Section 212.055(2), Florida Statutes, and also to fund economic development projects that have a general public purpose of improving the local economy; and

**WHEREAS**, in 2016, the Florida Policy Institute released a report finding that insufficient affordable housing limits Florida's economic potential; and

**WHEREAS**, in addition to the stimulative effect of its construction or rehabilitation, workforce housing can benefit a local economy by reducing housing costs to affordable levels, thus creating more room in the family budget for local purchases; and

**WHEREAS**, the Board finds the use of Surtax proceeds to facilitate the creation of workforce housing will have a general public purpose of improving the local economy; and

**WHEREAS**, the Board desires to extend the existing Surtax for an additional ten (10) year period from January 1, 2020 through December 31, 2029, to fund these critical needs in Pinellas County.
