EXHIBIT A

The E.C. Moore 8 & 9 Project consisted of the construction of a new meeting facility and press box on top of the existing building. We also renovated the first floor women's restroom facilities, office area, trainers room and concessions. In conjunction with these new additions and enhancements we upgraded the technology at the facility to provide video streaming capability for internet and television. These enhancements have enabled the city to provide a truly first class amateur sports stadium. E.C. Moore fields 8 & 9 seat 1,000 and 1,500 spectators respectively; with these additions we have enhanced our ability to attract top level junior, national and collegiate events solidifying Clearwater's role as a primary driver for Sports Tourism in the region.
