Thanks James, you are correct, BALLOT QUESTION does not need to appear more than once. Thanks for catching that! I'll get you an answer on your other question regarding where the ad should appear. The statute does not dictate any special section for advertisement. That said, I'd like to see what we did the last time we advertised this referendum

Thanks James, you are correct, BALLOT QUESTION does not need to appear more than once. Thanks for catching that! I'll get you an answer on your other question regarding where the ad should appear. The statute does not dictate any special section for advertisement. That said, I'd like to see what we did the last time we advertised this referendum
