Date/Time/Comments: 10/24/17 Approve the First Amendment with Operation PAR, Inc. (Operation PAR) for the Substance Abuse Service Expansion (SASE) and Access Increases in Mental Health and Substance Abuse Expansion (AIMS) Grant Awards from the U.S. Department of Health and Human Services, Health Resources Services Administration, and the Fiscal Year 2018 (FY18) Closing the Gaps County Decision Package to expand substance abuse and mental health services for Health Care for the Homeless Program and Pinellas County Health Program clients. Increase in funding and hiring additional medical professional does not require change in insurance requirements set in previous agreement attached.

NOTES: This award provides supplemental federal AIMS funding in the amount of \$75,000 per year effective September 12, 2017. Ongoing funding equivalent to the original award amount will continue beyond Fiscal Year 2017 (FY17) dependent upon Congressional appropriation and satisfactory performance. The new grant funds were not anticipated in the FY17 budget or included in the FY18 Adopted Budget. Human Services will submit a budget resolution to amend the FY18 budget. No County match is required.

This Amendment includes an additional \$169,340.00 in one-time, carry forward funding from the SASE grant award for the period of March 1, 2017 through February 28, 2018. The original award amount was \$325,000.00. Ongoing funding equivalent to the original award amount will continue beyond FY17 dependent upon Congressional appropriation and satisfactory performance. No County match is required.
